Yellow Owl News May

Dear Parents,

Happy May! April showers bring May flowers and everything is blooming, including our babies! We have all grown so much since coming together. Now that it's May, it seems like the school year has flown by. We only have one week of school in June before our summer school session starts so this will be the calendar and newsletter for May and June. Since there may be some of you who aren't attending the summer session, I want to take a minute to thank you for a great year! We feel so blessed and thankful that you've shared and trusted us with one of your most precious things...your babies!! We've loved watching them grow and learn and change throughout the past months and have cherished every minute of it... even through the stressful times 😊. Thank you thank you, thank you we truly love your little ones!

Sincerely,

Ms. Carrie K.

Ms. Carrie P.
