- Reload – You can add money to gift cards that you already have (this takes 1-2 days).

1. How to order:

- Click on the black heading "shop".
- Browse through the list.

- Then hit submit order. The amount will come directly out of your bank account or be charged to your credit card. *Please Note: If you select "check" instead of "PrestoPay" or credit card you will have to turn in a check to the school office before your gift cards will be approved for purchase.*

Additional Options

To manage all of your gift cards you can set up "My Scrip Wallet" on your phone as long as the store is able to scan the barcode. Go to <http://myscripwallet.com> using your phone's web browser. Click the blue "sign in" button. You can also use the upload button on your phone to add a direct link on your home screen.

Additional Information

Great Lakes Scrip Center will debit your bank account for the amount of your order plus a small convenience fee of \$0.15 *on the day you place your order*. Your scrip coordinator will be notified of your payment and your gift cards will be delivered when your order is released by St. Mary's Parish. Please note that you can still pay your organization via check, and you will have the option to select your payment type each time you order online during the check-out process. However, if you choose to pay via check, your order will not be released until the parish receives your check.

IMPORTANT NOTICE: If your payment is returned or rejected for **any reason**, your family order will be cancelled immediately and you will be CHARGED A \$30.00 NSF FEE and your account will be disabled and locked from further PrestoPay use. Your family will then owe St. Mary's Church the \$30.00 NSF fee and you will only be able to purchase future scrip via check and/or cash directly from the school. If your family order has been released (Scrip Now or Reloads) before we receive notification from the Great Lakes Scrip Center about any returned or rejected payment, **YOU WILL OWE US FOR THE FACE VALUE OF YOUR ENTIRE ORDER** plus the \$30 NSF FEE, and your account will be disabled and locked from any further PrestoPay use. You will also not be allowed to purchase any further scrip until this amount has been paid in full to St. Mary's Church, and all future purchases must be made via cash only.
