Company Summary

SierraEdge Group is an Atlanta based minority-owned business services organization. We commenced operation in 2012. We specialize in consulting and administrative management services for small and midsized companies. To deliver on this value, we create hands-on support strategies, perform vigorous due diligence and pragmatic support mechanism as well as identify and swiftly implement efficient methods and structures that maximize our client's business or project potential.

As a woman minority owned small business, we have obtained the following certifications: SBE/FBE/AABE certified with the City of Atlanta and DBE certified by the Georgia Department of Transportation (GDOT) and MBE Certification with Georgia Department of Administrative Services. We are also SBE with Dekalb County.

In today's business, things move fast, but we are agile enough to keep up. Our size is an advantage in this area allowing us to easily adopt change and new, better methodologies to better meet our client's changing needs.

Core Competencies
