

# Tammie Mackey Office Manager

Tammie has been with our office since June 2015. As our office manager, Tammie is the voice you most often hear when you call to set up appointments or to ask questions. After sixteen years as an elementary teacher for Purcell schools, Tammie was interested in a change of pace and scenery and has brought her people skills and laughter to our front office. When she is not at work, she enjoys scrapbooking, geo-caching, and chasing her new puppy Ace.

Fun Fact: Tammie has visited 46 of the 50 United States by car!
