Hunny Bears March 2016 Calendar

Salam! The month of February was filled with great friendships and lots of love! For Black History the children enjoyed listening to music and stories from Africa presented by Emma the Sesame educator. The children and educators dance up a storm with the musical instruments and the sound of Africa and the Caribbean playing in the background. Also, for Chinese New Year, the children enjoyed a special lunch from Natasha Yum Yum and Dragon dance performance by the Cool Cat room.

Great Big Crunch

Great Big Crunch invites children and educators to learn about healthy eating through the apple journey from seed to harvest to market to table. All the children in the daycare will take a big bite of an apple!!!!

Welcome/Goodbye

We welcome Luke and his parents Emily and Michael who will be moving up from the Toddler room March 21. Also, welcome James and his parents Uzo and Charl who will be moving March 28th. Welcome families to the Hunny Bear room!! Sadly we say goodbye to Ely who will be moving up to the Sesame room on March 21st. He will be missed.

Looking forward to another great month!
