How does Smart911 work?

1

Create a free and private Safety Profile at www.smart911.com

2

Your Safety Profile is stored in a secure national database

3

Your Safety Profile is displayed to 9-1-1 and first responders to improve emergency response to your 9-1-1 call

What can I include in my Smart911 Safety Profile?

People / Household

Include details and critical care information about each person who lives in your household

Phones

Add all landlines, cell phones and VOIP lines used by the members of your household

Addresses

Enter all addresses that you regularly frequent including home and work

Vehicles

Provide descriptions on any vehicles you may have

Emergency Contacts

Designate emergency contacts you want first responders to contact in the event of an emergency

Animals

Describe any pets, trained service animals or livestock you may have.

"In a recent extreme emergency, I used Smart911. The EMT's and Rescue Squad responded promptly when I called. It saved my life, and I am so grateful for Smart911."

— Linda B., North Augusta, SC

"I hope I never need to actually use your service, but I do keep my profile updated, just in case. I think everyone needs to sign up!"

— Jennifer R., Nashville, TN

"The greatest insurance policy you could ask for. If someone takes your child...how much time would you waste finding an up to date picture of her in your scared state? Now I don't have to worry about recalling information when I am scared to death!!"

— Jill B., Brentwood, TN
