When more than one person holds an interest in any Lot, all such persons shall be members. The vote for such Lot shall be exercised as they determine, but in no event shall more than one vote be cast with respect to any Lot.

## ARTICLE IV COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation Assessments. The Declarant, for each Lot owned within the properties, hereby covenants, and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual assessments or charges; (2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided; and (3) special assessments against individual Owners under Article XVIII of this Declaration. The annual and special assessments, together with interest, costs, and reasonable attorneys' fees, shall be a charge on the land and shall be a continuing lien upon the property against which such assessment is made. Each such assessment, together with interest, costs, and reasonable attorneys' fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the residents in the Properties and for the improvements and maintenance of the Common Area.

Section 3. Maximum Annual Assessment. Until January 1 of the year immediately following the conveyance of the first Lot to an owner, the maximum annual assessment shall be Two Hundred and No/100 Dollars (\$200.00) per Lot.

(a) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased each year not more than twenty-five percent (25%) above the assessment for the previous year without a vote of the membership.

(b) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased above twenty-five percent (25%) by a vote of two-thirds (2/3) of the members who are voting in person or by proxy, at a meeting duly called for this purpose, provided, however, the annual assessment may be increased above twenty-five percent (25%) without a vote of the membership if such increase is required to fund and pay for reasonable and necessary costs and expenses for maintaining the Common Areas.

(c) The Board of Directors may increase the annual assessment at any time to an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. In Addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair, or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the members who are voting in person or by proxy at a meeting duly called for this purpose, provided, further, however, any such assessment shall not require such assent if the assessment is required to fund and pay for reasonable and necessary costs and expenses for maintaining the Common Areas.

Section 5. Notice and Quorum for Any Action Authorized Under Sections 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Sections 3 and 4 shall be sent to all members not less than 30 days nor more than 60 days in advance of the meeting. At such meeting, the presence of members or of proxies entitled to cast a majority of all the votes of the members shall constitute a quorum. The quorum required for any action authorized by the Change in Maximum Annual Assessment Increase provision or Special Assessment provision shall be as follows: At the first meeting called, as provided in those provisions, the presence at the meeting of members or of proxies, entitled to cast a majority of all votes of the membership shall constitute a quorum. If the required is not forthcoming at said meeting, another meeting may be called, subject to the notice requirements, and the required quorum at any such subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting.

Section 6. Uniform rate of Assessment and Collection. Both annual and special assessments, other than assessments under Article XVIII of this Declaration, shall be fixed at a uniform rate for all Lots. Assessments may be collected on an installment basis at the discretion of the Board of Directors and the Association.

Section 7. Date of Commencement of Annual Assessments; Due Dates. The annual assessments provided for herein shall commence as to all Lots on the first day of the month following the conveyance of the Common Area, provided, however, the annual assessments shall begin within one (1) year from the date of this Declaration and shall include both maintenance costs and a reasonable contribution to a reserve account for future major repairs and/or replacements. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due date of the annual assessment shall be January 1 of each year. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a lot is binding upon the association as of the date of its issuance.

Section 8. Collection of Assessments; Effect of Nonpayment of Assessments; Remedies of the Association. Any assessment not paid when due shall bear interest at the rate of one percent (1%) over prime. The Association shall be entitled to collect from the Owner all legal costs, including a reasonable attorneys' fee, incurred by the Association in connection with or incident to collection of any assessment or in connection with the enforcement of the lien resulting therefrom. The Association may bring an action at law against the Owner personally obligated to pay the assessment, interest, fees and costs or foreclose the lien against the property. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot.

Section 9. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. The sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof or the bona fide conveyance to a mortgage

in satisfaction of a first mortgage shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 10. Exempt Property. All property dedicated to, and accepted by, a local public authority and all property owned by a charitable or non-profit organization exempt from taxation by the laws of the State of Florida shall be exempt from the assessments created herein, except no land or improvements devoted to the dwelling use shall be exempt from said assessments.

## ARTICLE V EASEMENTS AND DEDICATION

Section 1. Roadway, Utility and Drainage Easements. The Declarant hereby reserves, excepts, imposes, grants and creates non-exclusive, perpetual easements to and on behalf of the Declarant, the Association, the Owners, their grantees, heirs and successors in interest for ingress and egress, utility, drainage and landscape purposes as depicted on the Plat of Emerald Acres.

Section 2. Maintenance and Interference. Each easement provided for herein shall be maintained by the Association until such time as the property encumbered by the easement has been dedicated and accepted by local governmental authority and local governmental authority has assumed such maintenance. The local governmental authority shall not have responsibility for maintenance of the streets and street related drainage facilities located on the Properties unless and until the local governmental authority accepts such maintenance responsibility, and the local governmental authority shall not be responsible for utility trench lines or trench line failures. Within these easements, no structure, planting or other material which may interfere with the use and purpose of the easements shall be placed or permitted to remain.

## ARTICLE VI ARCHITECTURAL CONTROL

No building, fence, wall, outbuilding or other structure or improvement shall be commenced, erected or maintained upon the Properties, nor shall any exterior addition to or change or alteration therein be made, nor shall any material alteration, addition or deletion be made to the landscaping of a Lot, until the plans and specifications showing the nature, kind, shape, height, materials, location and all other reasonable detail of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by an architectural committee composed of three (3) or more representatives named in this Article or subsequently appointed by the Board of Directors of the Association (the "Architectural Committee"), as hereinafter provided. In the event the Architectural Committee fails to approve or disapprove the plans and specifications within sixty (60) days after the complete plans and specifications have been submitted to them in accordance with this Declaration, approval will not be required and this Article will be deemed fully complied with. In the event any improvement is destroyed in whole or in part, the improvement shall be reconstructed in accordance with the original plans and specifications approved by the Architectural Committee and any subsequently approved modifications thereto, or if the Owner desires to change the plans and specifications, all terms of this Declaration shall be complied with as if no improvement had been previously constructed. The initial Architectural Committee shall be Emerald Acres Investments, Inc., Sr. Douglas E. Turner and Teresa L. Turner who shall serve until all Lots are sold and transferred by the Declarant. With the exception of initial members, each member of the Architectural Committee must be an Owner. Thereafter, all members shall serve at the pleasure of the Board of Directors of the Association. All notices or submission requests to be given to the Architectural Committee shall be in writing delivered by mail to the principal registered office of the Association as from time to time set forth in the records of the office of the Secretary of the State of Florida, Corporate Division. Three copies of all such plans and specifications shall be furnished to the Architectural Committee. The plans and specifications shall include the following information:

- (1) Building plans showing floor plans and front, side and rear elevations.
- (2) Exterior finish schedule showing material, style, and color for all surfaces.
- (3) Site plan showing location of buildings, drives, parking areas, sidewalks, and all other improvements.
- (4) Landscape plan. The landscape plan may be submitted after construction commences, but must be approved by the Architectural Committee and implemented before occupancy.
- (5) The contractor who will perform and be responsible for all work.

The purpose of this Article in providing the Architectural Committee with the authority to approve or disapprove plans and specifications for all improvements constructed on the Lots is to maintain the value of all Lots and to protect all Owners against a diminution of value resulting from the construction of a residence or other structure incompatible with the proper development of the Properties. The disapproval of such plans and specifications shall be in the sole discretion of the Architectural Committee and shall be based upon the following factors:

- (1) Harmony of exterior design with existing or proposed improvements to the Lots.
- (2) General quality in comparison with the existing improvements to the Lots.
- (3) Location in relation to surrounding improvements.
- (4) Location in relation to topography.
- (5) Changes in topography.
- (6) Aesthetic considerations.

The Architectural Committee may establish and specify for any Lot, prior to construction, standards and requirements relating to excavation, dirt and fill storage, digging, backfilling, etc. for utility trenches and house construction, the color and composition of roofing materials, the color and composition of bricks or siding, and the style of architecture. Such standards and requirements may include, but are not necessarily limited to, the following: off-site storage of fill, dirt or construction debris; stockpiling of fill from utility trenches; backfilling utility trenches; and the general appearance of the houses. Such standards and requirements may vary from Lot to Lot and may be imposed by the Architectural Committee in its sole discretion to minimize disruption of trees, tree roots, existing ground cover, or other natural features. Indiscriminate grading or trenching will be strictly forbidden to minimize harm to natural features which protect and enhance the beauty and privacy of the entire Properties and to encourage the aesthetic standards of the neighborhood.

## **ARTICLE VII LAND USE AND BUILDING TYPE**

No lot shall be used except for residential purposes and such other purposes set forth in this Declaration. No building or other improvement of any type shall be erected, altered, installed, placed or permitted to remain on any Lot other than a detached single family residence together with customary outbuildings and swimming pool as approved by the Architectural Committee.

## **ARTICLE VIII SUBDIVISION OF LOT**

No Lot shall be re-subdivided. This provision shall not, however, be construed to prohibit any Owner from conveying part of his Lot to the Owner of an adjacent Lot, provided that the Declarant has approved such conveyance in writing. Such approval shall be at the sole discretion of the Declarant.

## **ARTICLE IX DWELLING SIZE**

No dwelling shall be permitted on any Lot unless the ground floor of the main area of the structure contains at least 1,400 square feet for a one-story dwelling, exclusive of open porches, patios, terraces, storage areas and garages, and at least 1,000 square feet for a dwelling of more than one story, exclusive of patios, terraces and other areas not under roof, but inclusive of open porches, storage areas and garages under roof, provided that the floor area of the entire dwelling contains at least 1,400 square feet, exclusive of all open porches, patios, terraces, storage areas and garages. No dwelling shall exceed two and one-half stories in height (excluding basements).

## **ARTICLE X BUILDING DRIVEWAY AND FENCE LOCATION AND SIGHT RESTRICTIONS**

Building locations shall be approved by the Architectural Committee, provided, however, no building shall be located on any Lot: nearer than twenty-five (25) feet to the front Lot line; nearer than thirty (30) feet to the rear Lot line; nearer than ten (10) feet to a side-interior Lot line. For the purposes of this Article, eaves and steps shall not be considered as part of a building, provided, however, that this shall not be construed to permit any portion of a building to

encroach upon another site. No driveway shall be located nearer than five (5) feet to an interior lot line except a back-up or turn around pad may be located as near as one (1) foot to an interior Lot line. No fence shall be located nearer to the front lot line than the rear corners of the primary building or nearer than fifteen (15) feet to any road right of way. The location and design of any fence must be approved by the Architectural Committee in accordance with Article VI of this Declaration. No fence shall be located on any lot unless the installation, color and design of the fencing have been approved by the Architectural Committee. Fences shall be constructed of wood and may either be a 6' wood shadowbox privacy fence or a 4' wood picket fence. The detached single family residence shall face the street. No landscaping or other improvement which obstructs horizontal sight lines at elevations between two and six feet above the street shall be placed or permitted to remain on any Lot within any triangular area formed by street lines and a line connecting them at points twenty-five (25) feet from the intersection of street lines. In the case of a rounded corner, the twenty-five (25) feet shall be measured from the point formed by the extension of the street line to form an angle instead of a curve. The same sight line limitations shall apply to the area of every Lot within the ten (10) feet radius emanating from the intersection of any boundary line of a Lot with the edge of the driveway pavement. Trees may be planted and maintained within any of these areas if the foliage line is maintained at a sufficient height to prevent obstruction of such sight lines. The Architectural Committee may, in its sole discretion, grant variances to the restrictions provided for in this Article.

#### **ARTICLE XI GARAGES AND CARPORTS**

Each building shall have a functional garage attached thereto which shall be designed to accommodate the parking of at least two (2) automobiles. The Owner of each Lot shall ensure that the garage door is kept closed at all times except when entering or exiting the garage. The declarant will allow one home at any given time to be used as a sales model, which may have the garage enclosed for use as a sales office. When the sales office is sold and closed the garage shall be converted to a functional two car garage.

#### **ARTICLE XII NUISANCES**

No noxious or offensive activity shall be carried upon any Lot or Common Area, nor shall anything be done thereon which may be or may become an annoyance or nuisance to the neighborhood.

#### **ARTICLE XIII TEMPORARY STRUCTURES**

No structure of a temporary character, trailer, basement, tent, shack, garage, barn, storage building, or other outbuilding shall be used on any Lot at any time as a residence either temporarily or permanently.

#### **ARTICLE XIV SIGNS**

No sign of any kind shall be displayed to the public view on any Lot except one (1) professionally lettered sign of not more than five (5) square feet to advertise the property for sale or lease and except signs used by the Declarant to advertise Lots for sale. Notwithstanding the foregoing, the Declarant shall have the right to use such signs as the Declarant deems appropriate to promote the sale of improved or unimproved Lots. Any sign shall be mounted on a free-standing post or sign holder.

#### **ARTICLE XV ANIMALS AND CROPS**

No animals, livestock or poultry of any kind shall be raised, bred or kept on any Lot, provided, however, domestic dogs, cats or other household pets may be kept, provided they are not kept, bred or maintained for any commercial purpose, and provided further that no more than

two (2) such pets shall be kept on any Lot without the approval of the Architectural Committee, and provided further that the Owner shall maintain such pets, and pens and structures intended for their use, in a clean and sanitary manner and in a manner which does not create a nuisance to other Owners. In furtherance and not in limitation of the foregoing, the owners of pets shall be responsible for removing from Lots and easement areas any excrement from their pets. No pen, doghouse or other structure intended for an animal shall be constructed or allowed to remain on any Lot unless approved by the Architectural Committee in accordance with Article VI of this Declaration. All pets shall at all times be: confined within the Owner's dwelling; securely on a leash. There shall be no planting or maintenance of crops, vegetables or ornamental plants except for approved landscaping and except for domestic purposes. No garden area for crops or vegetables shall be visible from any street.

#### **ARTICLE XVI RADIO AND TELEVISION ANTENNA, SPORTS EQUIPMENT, FENCING AND TANKS**

No exterior radio, television or satellite-dish antenna may be installed on any portion of the Properties unless such installation and the size, color and design of the antenna have been approved by the Architectural Committee. Sports and play equipment, such as basketball goals and playground equipment shall be located to the rear of the dwelling in a manner in which it is not visible from any street. No tank for storage of fuel, water or other substance shall be placed or permitted to remain on any Lot unless the tank is buried and the location of the tank is approved by the Architectural Committee.

#### **ARTICLE XVII MAIL BOXES**

No mail or paper box or other receptacle of any kind for the use of delivery of mail, newspapers, magazines or similar materials shall be erected or located on the Properties unless and until the size, location and type of material for said boxes or receptacles shall have been approved by the Architectural Committee.

#### **ARTICLE XVIII EXTERIOR MAINTENANCE**

Each Owner shall maintain the landscaping, including the trees, shrubs and grass within the boundaries of his Lot, and the exterior of the building located on the Lot in a neat and attractive condition. If an Owner shall fail to maintain or make the repairs or replacements which are the responsibility of such Owner, then upon vote of a majority of the Board of Directors and after not less than ten (10) days' notice to the Owner, the Association shall have the right (but not the obligation) to enter upon such Lot and provide such maintenance or make such repairs or replacements as it deems necessary or appropriate, and the cost thereof shall be payable to the Association by such Owner within ten (10) days after the delivery to the Owner of a demand for payment. Amounts due hereunder may be enforced and collected together with interest and attorney's fees, in the manner assignments are enforced and collected under Article IV. For the purpose solely of performing the maintenance authorized by this paragraph, the Association's agents and employees shall have the right, after reasonable notice to the Owner, to enter upon any such Lot between the hours of 7:00 a.m. and 6:00 p.m.

#### **ARTICLE XIX BOATS, TRAILERS, RECREATIONAL VEHICLES AND ACTIVITIES**

No boat, trailer, motorcycle, motor home, camper, van, plane or recreational vehicle may be parked or stored on any street or on any Lot except within an enclosed garage. The pursuit of hobbies or other activities including; but not limited to, work on vehicles or other mechanical devices and woodworking, which tend to result in disorderly, unsightly or unkempt conditions, shall not be pursued or undertaken except within an enclosed garage.

## **ARTICLE XX ACCESS TO OTHER PROPERTY**

Except for the Declarant, no Owner shall permit or otherwise allow any portion of any Lot to be utilized as an easement, roadway, driveway, street or other means or method of access, ingress or egress to areas or property not included within the Properties. The purpose of this provision is to preserve and protect the integrity of the exterior boundaries of the Properties, and to preclude and prohibit any break in those boundaries by any easement, roadway, driveway or street granted, permitted or otherwise created by any Owner other than the Declarant. The Declarant reserves the right to grant such easements or create such roadways upon land or lots owned by the Declarant as the Declarant, in the Declarant's sole discretion, determines necessary, appropriate or desirable.

## **ARTICLE XXI VEHICLES PROHIBITED**

No two (2), three (3) or four (4) wheel motorized recreational vehicles, e.g., go cart, all terrain vehicle, etc., shall be operated on any portion of the Properties, provided, however, the Board of Directors or the Declarant may approve certain motorized vehicles designed so as not to disturb the neighborhood, such as electric golf carts, for transportation.

## **ARTICLE XXII GARBAGE AND REFUSE DISPOSAL**

No Lot shall be used, maintained, or allowed to become a dumping ground for scraps, litter, leaves, limbs or rubbish. Trash, garbage or other waste shall not be allowed to accumulate on any Lot or other part of the Properties and shall not be kept except in sanitary containers located and installed in the manner approved by the Architectural Committee. All equipment for the storage or disposal of such material shall be kept in a clean and sanitary condition and shall not be visible from the street or from any private or common driveway except for those times designated for collection by the appropriate waste management and collection authority.

## **ARTICLE XXIII GENERAL PROVISIONS**

Section 1. Enforcement and Attorneys' Fees. The Association, or any Owner, shall have the right to enforce, by any proceeding at law or in equity, including injunctive relief, all restrictions, conditions, covenants, reservations, liens, charges and obligations now or hereafter imposed by the provisions of this Declaration. In connection with such litigation, the prevailing party shall be entitled to recover all costs and expenses incurred in connection with such litigation, including reasonable attorneys' fees. Without limiting the generality of the foregoing, the prevailing party in any litigation to require the Association to perform its obligations in regard to annual assessments and the maintenance or repair of streets and other Common Areas or to require the Declarant to incorporate the Association or to perform any other action or obligation imposed on the Declarant pursuant to this Declaration shall be entitled to recover all costs and expenses incurred in connection with such litigation, including reasonable attorneys' fees. The failure of the Association or any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 2. Severability. Invalidation of any one of these covenants or restrictions by judgement or court order shall in no way affect any other provisions which shall remain in full force and effect.

Section 3. Annexation. Additional residential property and common areas may be annexed to the Properties with the consent of two-thirds (2/3) of the members and the Declarant. Any such annexation shall subject said land to these covenants, conditions and restrictions, and the Owners of each Lot in such annexed area shall have the same rights, benefits, obligations and duties as the Owners of the Lots described in this Declaration.

Section 4. Development by Declarant. No provisions contained herein shall prevent Declarant, or Declarant's contractors or subcontractors from performing such work and activities as it deems necessary or advisable in connection with the development of the Properties, nor shall such provisions in any way prevent the Declarant from maintaining such sign or signs on the
