It takes a **Seasoned Specialist** when it comes to providing Marine Insurance Solutions for Recreational Vessels, Tournament Fishing and Charter Vessel owners.

With over 20+ years in the Maritime and Marine Insurance industries, rest assured we can provide you with the appropriate coverage and competitive options to protect you and your vessel.

Our long standing relationships with "A" rated or better carriers gives us a solid foundation for providing the best coverage options available.

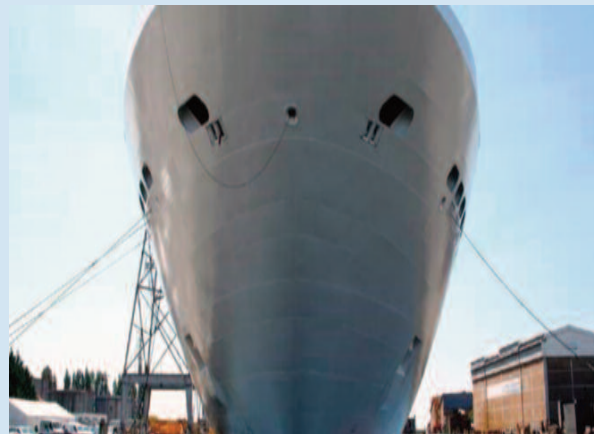

Whether you own a Boat (26 ft. or less), a Yacht (27 ft. or more) or a Charter vessel, we can assist you.

Providing you with peace of mind, knowing that you have a knowledgeable agent, who understands your unique and individual needs.

We understand the unique exposures of Commercial Vessels, Recreational Marine Businesses and Marine Facilities.

Our specialized knowledge, experience and loyal relationships with "A" rated or better carriers is a significant part of our long term success for marine risks.
