

AQUARIUS CODE HIDDEN IN THE PASSOVER

A TYPOLOGY RELATING TO THE END OF THE AGE - RAPTURE OF THE BRIDE

This illustration seeks to depict a prophetic correlation of the Passover Cups of Redemption to the Church Age dispensation. The Passover account in the 1st Century is striking. It might be a possibility that the LORD provided 'codes' or signs to His disciples regarding the Passover. As Christ gave those signs to His disciples of what to look for in the 1st century Passover, the same 'signs' could be a 'code' also to be relevant to the End Times disciples in the last century. These 'codes' could very well be foreshadowing the 'last' Passover of the Christian Era in the year that the 'sign' of the 'Man carrying a Jar of Water' is to occur in. Will this be the year that this 'sign of Aquarius' occurs - heralding the End of the Church Age and the Rapture of the Church? Every Sign of the *Mazzaroth* or Zodiac depicts a facet of Christ's Plan of Redemption. Each sign is but a dimension of who He is and what He did. Before the Passover, there had to be a ceremonial washing. Christ took His outer garment and wrapped Himself with a towel. He 'carried a jar of water'. He then poured water on a basin to wash the disciples feet. At this point in time Christ showed us that He was the hidden 'code' of Aquarius in the Passover. He is the True fulfillment of the 'type and shadow'. He not only poured out water to wash outwardly, but His Blood at the cross cleanse inwardly.

I AM Poured OUT LIKE WATER, AND ALL MY BONES ARE OUT OF JOINT: MY HEART IS LIKE WAX; IT IS MELTED IN THE MIDST OF MY BOWELS. - PSALM 22: 14

The Blood of Jesus Christ the Messiah was the Passover Lamb without sin. -1 Pet 1:19

The Chinese word for 'Blood' is a picture of a nail use for 'piercing'. It is an Altar and Blood flowing from the sides of the Altar.

THE 4 CUPS

A timeline is set in place to project the 4 Passover/Seder Cups of Redemption. The first 3 Cups of the Passover perhaps could likewise be a type and shadow or 'code' of a factor or prophetic time.

Interestingly, the meaning of each Cup seems to reflect the tone of the 7 Church Ages of the past 2000 years corresponding to those cups. The 4th Cup called the Hallel Cup would then correspond to the Millennial Reign of Christ that is to last for a 1000 years after the end of the Tribulation.

THE TYPOLOGY OF THE PASSOVER

- 1) The 'Man carrying the Jar of Water' could be a type of 'Aquarius' signaling the end of the Church Age.
- 2) The 'Upper Room' can be a type of the prepared Marriage Supper of the Lamb banquet hall in Heaven.
- 3) The 4 Passover Cups could be a type of the 4 dispensational eras of the Church Age and beyond.
- 4) The 5th Cup of 'Elijah' could be a type of the 1 Week Israel is to experience bitterness during the Tribulation.
- 5) From the Mark 14:25 account, the signing at the end of the Passover with the signing of the Hallel Psalms could be a type possibly referencing to the time span of years. This time would correlate to the prophetic week long -7 day period that the Jews where to still eat the unleavened bread and bitter herb after the Passover.

THE RETURN OF ELIJAH (THE 5TH CUP)
In Jewish custom and tradition, a 5th Cup, is called the Cup of Elijah. At every Jewish Passover Seder, a place and Cup is set for Elijah in anticipation of his coming. Scripture does declare that Elijah is to herald the coming of the Messiah or at least a type of. This 7-Day period of time after the Passover could be a shadow and type of the 7 Year Tribulation that is to come upon Israel -as understood by many that study End Times.
