

# Qingdao Linear Park

www.silktreegroup.com

**Location:** Qingdao, PRC  
**Project Value:** 52 million US  
**Services Provided:** Landscape Design  
**Size:** 12 Hectares  
**Client:** Government of Qingdao

Qingdao Linear Park was designed to display a park based on the famous books of Chinese Philosophy, "The Spring and Autumn Annals; The Book of History, The Book of Changes, The Book of Music, The Book of Rites, The Book of Documents and The Book of Poems." Each section of the park related to these famous books both physically, emotionally psychologically and spiritually. The Park was built on many levels containing many layers as the were the books created.
