## ConnectKit-1™ | Guest Device Charging Cable Kit

Hotel guests are checking in with mobile phones and tablets. This cable kit is perfect for the guest who would like to use the charging amenity you've provided but left their cables behind. ConnectKit-1 contains the three main cables needed to charge 95% of smartphones and tablets. Generate additional revenue by selling through the mini-bar, concierge, or loan it out to guests at check-in.

### Apple iDevice Cable

30 pin dock connector, use to charge and sync iPhone, iPod, iPod Nano, iPod Touch and iPad.

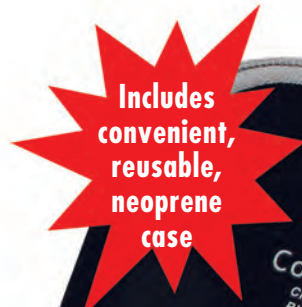

### Apple Lightning Cable

Charge and sync iPhone 5, iPad mini and iPad (4th gen.).

### Micro USB Cable

Charge and sync Samsung, LG, HTC, Nokia, Blackberry and other smartphones.

ConnectKit-1 is the perfect compliment for TeleAdapt's Chargeport™ or PowerHub™, both of which provide guests with two power outlets, plus one standard USB port, and one high-current "Tablet" USB port.

**For use with USB charging ports.  
Does not include AC adapter.**
