

Ordinance Codification

Codifying local law has many purposes, including offering access to current law and allowing ease of enforcement. Employees and law enforcement can function more efficiently with up-to-date, clearly written, accessible laws. Codification helps identify inconsistent, duplicate and ambiguous laws. Codification creates a uniform source that is accessible for both professionals and the general public.

Town Hall Staff and Council have been working on codifying Rockford's policies and ordinances for over a year. You can now access our Municipal Code at <https://www.rockfordwa.com/ordinances.html>

**Town Hall will be closed Monday, May 30th
in observance of Memorial Day.**

**Garbage service will be delayed because of the holiday.
*Expect garbage pick up to be Wednesday, June 1st.***

*Happy Mother's Day to
all the mom's out there!*

**Rockford turns 133 years old
on May 9th!**

UNPACK YOUR OUTSIDE WATER METERS

Please be sure to unpack your water meters. Public Works did the first read of the year on April 25 and there are several meter boxes that still need to be unpacked for the summer. There will be a \$10 charge imposed for packed meters after May 20th.

ROCKFORD YOUTH BASEBALL

The youth baseball program had another great turnout this year. Please be aware of extra activity near the ball fields during May and June. We are excited that so many kids from the surrounding communities are ready to get out there and play!
