Message from Association President Janine Lund

Our rapidly changing landscape! Our trees have bloomed, bulbs sprung up, and the green of spring is everywhere changing our neighborhood landscape. I love Spring in Crestwood. We expect it and appreciate it.

And we have another swiftly changing landscape that we did not expect and is full of uncertainty. The pandemic of COVID-19 is changing the way we live in the DFW area. Every day we are hearing of more closures, more event cancellations and more confirmed cases. We are advised about how to reduce our risk of getting and spreading the disease.

The association officers are watching the changing recommendations from the City, County, and State of Texas and taking actions such as moving our meetings to phone conference calls. Our Crestwood website is now being actively updated. We hope many of you will participate in our next phone meeting on 4/6/20 at 7:00 p.m.

Let's not spread the disease to our neighbors, but let's watch out for each other. How timely that we have an updated Neighborhood Directory (yellow cover handbook distributed

in January 2020) so we can identify our neighbors and call or email! Let's make an effort to offer to help neighbors who may need help. Let's tell our neighbors we are available to help. (If you don't have a directory, check the block representative for your block—at the end of this newsletter—or contact Holly Schur hhschur@swbell.net)

Also, we can get outside on the streets and trails, having "social distancing" while being active and seeing the beauties of spring in Texas.

As Crestwood Association leaders, we are finding ways to keep neighbors connected even while indoors. We have moved our April neighborhood meeting from in-person at Central Christian Church to by phone. Anyone with a phone (landline or cell phone) can participate.

We will follow official guidance about in-person activities and keep you all posted by email.—

Janine Lund, Crestwood Association 2020 President, 17 March 2020

April 6 Neighborhood Meeting Via Phone

All Crestwood neighbors are welcome at Association meetings, held at 7:00 pm the first Monday of the month. Our April 6, 2020, 7:00 pm, meeting will be held via phone conference. To log into the meeting, go to the Association website, <http://www.crestwoodfw.org> and see instructions on the right panel.

Agenda items: update COVID-19 mitigation affects in Fort Worth; update on the appointment of a new neighborhood patrol officer by FWPD. Also: the board will appoint a replacement for Sonia Rodriguez, who was elected treasurer for 2020 but who has resigned. Nominated for the post is the husband and wife team Rozi and Gary Stone.

April 11 Egg Hunt Canceled

Abiding by government recommendations to minimize public gatherings, the Association has canceled the annual egg hunt. Hunt chair Annalisa Istre was well into preparation for the annual event, which brings children and families to Crestwood Park for a morning of fun. "We'll have a head start on next year!" Istre said. Thanks for her leadership, and to the committee of volunteers working on the project.

Resources of information for Fort Worth Residents

The Association's liaison with the City of Fort Worth has asked that we help distribute information about COVID-19 mitigation efforts.

Go to this page on the City website <https://fortworthtexas.gov/news/> There, you can find the latest announcements from City authorities and sign up to have news delivered via email

Financial Picture Strong for the Association

Acting treasurer Kathy Kelly reports that the Association has had strong dues collections and voluntary contributions; a solid start to the 2020 year. In February, the Association approved a request to fund the reconstruction of one of the walls protecting a tree on Crestwood Drive.

Want to support the Association? Join by paying dues, or make a donation, online at www.crestwoodfw.org. Or: contact Membership Secretary Kristin Glass kkaeg@flash.net or mail to The Crestwood Association, PO Bos 471621, FW 76147.

Security Report

Security chair Frank Diaz reports January 1, 2020 to date, four incidents from the Crestwood area have been reported to the Fort Worth Police Department: three thefts from motor vehicles (two in the 100 block of North Bailey, one from the 800 block of Springbrook Drive), and one mail theft from the 600 block of Eastwood Avenue.

Have a Pet? Safeguard with the Neighborhood Pet Registry

Did you know you can register your pet(s) with the Crestwood Pet Registry? The group provides a volunteer service to connect registered pets with owners in case of loss. Click the button on the Association website for details and to participate.

Who's Your Block Representative?

There's a resident on your block who has volunteered to be the block's liaison with the neighborhood association. Who is that? Here's a list—plus a list of the Association's elected officers and appointed committee chairs.

From the Crestwood Crime Patrol

On behalf of members of the Crestwood Crime Patrol, I want to say thank you to all who have made donations. Your generosity helps us continue fulfilling our goal of enhancing neighborhood security.

We need new members so we can increase the Patrol's presence and watchfulness. We ask everyone to consider if, after 6 hours of training and initiation, donating a little as one hour a week toward the safety and well-being of the neighborhood isn't something that could be squeezed into your schedule. Call me at 817-624-7360 or Frank Diaz at 817-626-1762 if you might be interested in joining the Patrol.

Take care and stay safe, June Morton, Patrol Captain
