Business Meeting:

1. Employee Reports:

C. Counterman: discussing concession profits. Year to date Net profit of \$11,369.51.
Last year was approximately \$10,000 profit.

Craig: Fertilizer quotes for the two large ball fields from MFA and BWI. Work to be
done on lower ball fields this fall and would not want to fertilize that grass at this time.
We will wait for fertilizing both ball fields in the spring. Board all in consensus for this
plan.

B. Counterman: soccer season was a success and new goals received many
compliments. Prior to next soccer season we will need to replace the Fair Grove
corner flags. Counterman to get price quotes on new flags. Created a parent code of
conduct for all parents to sign each sport season and has to be signed by the parent
before the player can participate. Bounce house party rentals \$200 for parties hosted
at the park fields and \$250 for parties hosted at personal residences. Customers have
the option to pay for food provided by the park at parties for an added fee. A \$100
damage deposit for all rentals is charged to the customer and reimbursed within 24
hours as long as the bounce house passes the return inspection.

2. Treasurer Report: Park funds approximately \$321,387.00 as of August.
