And more ...

# **CARE CLOSET**

*Where compassion and kindness meet need*

Currently seeking caring, compassionate, and kind citizens of character to provide needed items identified for students in our community.

Schools alert us to the need and you help make a positive difference in a student's life. You can purchase the needed item and drop off to us or provide funds for us to purchase. (Be a one-time provider; multi provider; or on-going provider. You decide.)

Needs are posted on our Character Care Closet calendar
