

# Event Donation Request

## THANK YOU!

The 6th annual Executive Invitational is an exciting and unique golf tournament by invitation only. Selective High-Level Central Florida Hospitality and Corporate Business Executives are invited to participate in what we call our year end celebration. This event has been sold out each and every year since December 2012 and it is no different this year.

Invited are Hotel, Resort, Time Share, Parks, Corporate Presidents, Vice Presidents, General Managers and Executive Directors to enjoy a day of fun at one of Orlando's Premier Golf Courses. This year, the Executive Invitational is hosted by Eagle Creek, Lake Nona.

We would like to ask for your donations for raffle prizes to be raffled to the executives at the awards luncheon after the tournament recognizing your company.
