## Light Body Energy Work & Coded Activations

Your **Light Body** is a Grid of Living Light, Colors, Harmonic Frequency and Love. It is an **Energy Body** that exists at a Higher Level and Exists over your Physical Body.

It is always Activated and Spiraling within the Energy of Sacred Geometry. Your Light Body is intelligent and Services the Embodiment's Makeup and its infrastructure. It's Coded through the Christed-Consciousness of the great universe, and it applies frequency to facilitate the **Charkas** (Seals) and the physical, emotional, mental and spirit bodies. When in tune with your **Lower body**, it generates and radiates **Light Energy** in an accelerated manner to the **Higher Self**, and continues to connect you through an Electromagnetic Field of Love, to your **Multi-Dimensional Aspects** of the Universe.

The Sacred Geometry of the Light body is also referenced as the Merkaba.

Mer = Light

Ka = Spirit

Ba = Body

The Merkaba is the **Spiritual Body** surrounded by rotating fields of Light, which transports the Spirit body from one dimension to the next.

Everyone is beginning to feel the integration of this profound energy called Light. We must understand that this occurrence of filtrated light is very strong, and it must occur for the continual **Evolvement** of this new beginning.

The first phase of Illuminating the Light Body is to be **Released** of all past negative **Karma** and begin to focus on the **Present**, the **Zero Point of Light**, so that the Body Can **Heal** and **Balance**, as to live in a future life of **Peace**.

The Time is Now, and the Beginning of our Tomorrow, starts Today.

The gifts that behold you, are among you always, but tend to lie dormant for eons. It is during the ascension process that you begin to **Re-Awaken** these **gifts** while in the Presence of this Energy. The emergence of Light into your body is increasing constantly, and as we continue to **let go** and be released of old, past negative energy held within, we begin to Heal and become Whole.

The **Light Body is Activated** when one begins to open the **Gateways of Goodness**, which is the **Internal Energy Fields** that house and support the soul's journey of all lives. This Gateway is the Higher Plane of Living Light, the Soul Plane.

When Awakening the Light Body, imbalanced and less harmonious energies begin to tune into a Higher Frequency, and begin to automatically **Resolve** from the Looping Patterns that once inflicted the Bodies to be able to heal. The Soul's **Experience** is an **Energy** of Light that radiates from within as an Eternal Flame (I Am). This Flame is in a constant, consistent connectivity to Oneness or Divine Love.

The **Light Body** expands the **Mental** thoughts of **Integrity**, channeling and connecting to the **Universal Mind of Intelligence**. Your **Mind Beautiful** begins to stay connected to the Universal Mind, as conscious thought forms are born into a state of conscious awareness that reflects the light of your soul, in turn channeling your actions, thoughts and deeds.

The Light Body is Illumined, Insightful, Loving, Blissful and helps one to be fully connected to the **Whole Body**, the **I Am** as a **Mastery of Self** co-collectively and consciously within All that Is.

Consciously Connecting to our Light Body is an Honor and Grace to Self, and one of the Experiences one begins to live within this life. The connection to the **Higher Self**, is the **Path** to the **Whole Self**, as an Achievement into the **Divine I Am**.

When the Light body is Awakened, one can feel a greater sense of ability, and **Self-Empowerment**. When the emotional bodies are balanced and in harmony with the day-to-day interactions of life, one is calm and centered, and filled with love and compassion, freedom and joy.

**Light Body Energy Work & Coded Activations ~**

The **Light Body Activates** the 7 Charkas (Seals) connecting to the 4 subtle energy bodies; physical, emotional, mental and spirit.

Light body Activations are an Infusion of Light, Harmonics and Colors from a higher frequency, **anchoring** to the physical structure these amazing and powerful Light fractals of dimensional energies into the embodiment. As an Upgrade from the 3<sup>rd</sup>-Dimensional mattered body begins to occur, the conversion process into the 5<sup>th</sup>-Dimensional Deity Light Body becomes more and more Activated and Balanced.

Activating the Light Body assists the denser body to be free from old and hardened cellular clots and blockages. Most times the Mind doesn't understand the automatic changes channeling and occurring throughout the makeup of the Embodiment. This happens in an organic and natural occurrence of the Intelligent Body and its Divine Design.

**\*\*\*All Light Body Energy Work & Coded Activations are done in Person and Private.**
