WHAT IS TARS?

The Teen Age Republicans (TARS) is a national, youth-led organization challenging teens to become involved in their local, state, and national political processes.

TARS across the nation sway elections, gain first-hand knowledge of the political process, develop leadership skills, and perform community service acts in their communities.

National TARS was founded in 1960 with tens of thousands of members in all 50 states and the District of Columbia. Clubs are organized on and off campus from middle school, high school, homeschooled, county and city clubs. TARS are our nation's greatest hope for the future.

WHO CAN JOIN TARS?

Teenage Age Republicans (TARs) is for teens age 13 to 19. You don't need any special political or campaign experience. TARs will help you learn all that. It doesn't matter if you go to a traditional public school, a charter school, or are home schooled. Teenage Republicans are on tap to be an organization designed FOR teens and run BY teens who are simply interested in the political process.

MY SCHOOL DOESN'T HAVE A CLUB. NOW WHAT?

Starting a new TARS club is easy! All you have to do is fill out the Club Registration form and the Membership applications provided in this handbook. Then submit the paperwork to your State TARS Corresponding Secretary and your State Dues to the State Adviser by November 1st of the school year. Follow these simple steps below and you will have your Club Organized and registration completed in no time. Clubs may still form after November 1st and new members may still join, but they will not be permitted to vote in that school year's State Leadership election.

- Find 4 people (you and at least 3 friends) who would like to start a TARS Club.
- Decide whether you want the group to be located at your school or as an area group that meets at someone's house. There are pros and cons to both options.
- Find a teacher or parent to serve as your adviser.
- Decide on a Club name.
- Hold a vote to elect temporary Club Officers.
- Adopt a club constitution (sample constitution and by-laws provided in this packet).
- Fill out the National TARS Club Registration packet, the State TARS Membership Applications, and submit your dues by November 1st to the State TARS Board.

TARS CREED

I am a Republican Because...

I believe that faith in individual people is the only true foundation of our National Strength.

I believe that our national stability can stem only from the basic constitutional principles that unite us.

I believe that free enterprise and encouragement of individual incentive have given this nation an economic system second to none on Earth.

I believe, as Lincoln did, that the proper function of Government is to do for the people only those things that have to be done, but cannot be done by individuals for themselves.

I believe that sound economic growth can be generated only by sound money and avoidance of inflationary deficits.

I believe in equal rights and equal justice for all regardless of race, creed or color.

I believe Americans have an international kinship with peoples everywhere who seek the extension of freedom and human rights.

I believe that Americans have an enduring capability of making hard decisions unflinchingly when the security of the Nation and our free world allies is threatened by aggression.

I believe the Republican Party is a party of vision, retaining those things from the past that are worth retaining and always receptive to new ideas in the task of building a better America.

I believe our mission is to win on merit as we appeal to all segments of the population -- not as separate groups but as part of the whole with equal but never superior claims on the progress we can generate.

Finally, I believe that only through the Republican Party can these ideals become active and successful principles of government.

How Much Should Our Club Dues Be?

TARS recommends keeping your club dues as low as possible to encourage as many people as possible to join and participate.

The primary source of your club's finances should not come from dues. Instead they should come from various and earned fundraising efforts.

"A penny saved is a penny earned." - Benjamin Franklin

Are There Dues To pay?

Yes. TARS members are asked to pay dues to their club and the State Federation. Dues are not required to participate in most TARS events, but are required if you would like to vote for Officers, Constitutional Amendments, and other official business at the local, state or national level.

Don't Forget...

Only dues-paying members may vote on official club business and elections. Clubs that do not submit their dues by the State deadline will not vote in State Elections or on Official State TARS business that school year.

For this reason, it is best to collect club dues as early as possible after your back to school membership drives.

How Much Are dues?

Arizona State Dues: \$3.00/Member

National Dues: No National Dues

When Are Dues 'Due'?

All dues are due to your State Adviser by November 1st of every year to be able to vote in that year's State Election.

Planning Your Club's Yearly P.O.A. (Plan of Action)

Laying out your Club's outline for your yearly activities should be a very simple process. Arizona TARS advise using the "30-30-30 Rule" as a guideline to make sure your Club meets its political, educational, and social needs. The "30-30-30" refers to 30% Political Events, 30% Educational Events, and 30% Social Events. This means in a 12-month period you will have 4 Social events, 4 Educational, and 4 Political. You may notice that this only adds up to 90%. This leaves your club 10% to add in whatever areas you would like if time and resources allow; whether it be charitable or community service projects or additional fundraisers that wouldn't automatically tie in to the previous areas. Below is an example of what your Yearly P.O.A. should look like.
