Amending Safer at Home Directive – Executive Order 12-2020

Directive #10: Places of worship are strongly encouraged to continue to utilize virtual or online services and are strongly encouraged to follow best practices and applicable guidelines to conduct in-person services safely.

The virus spreads easily, and the previous Safer at Order was implemented to prevent the disease from overwhelming our healthcare system. **The goal here is to “flatten the curve” to slow down the spread of the virus and ensure we have adequate health care resources for those who get sick with COVID-19 and those who need emergency care for accidents, heart attacks, strokes and other routine medical conditions.**

Weekly Communion and Offering Update during Home Worship Assembly – Communion packets pickup and Offering drop off are available for all members from 9am till 3pm Monday through Friday during the Executive Order pandemic period. Online giving is available at our website at norrisroadcoc.com via the Tithe.ly application.
