Tennessee Titans	6.5 (Under -140)	6.5 (Under -130)
Washington	6.5 (Over -120)	6.5 (Over -120)

NFL Season Win Total Best Bets 30-21-5 (59%) +7.05 units Last 9 Years

1. Pittsburgh UNDER 8.5 Wins (-150 or less)

The Steelers were the most fraudulent in the NFL last year. Despite winning 10 games, they were -0.4 in ypp (No. 25), were -37.8 ypg (No. 25), were outscored by 1.2 ppg (No. 21), were 9-2 in close games and were +11 in TO's. Can you say regression? This year the Steelers play arguably the toughest schedule in the NFL and could be underdogs in each of their final 8 games. Mike Tomlin has never had a losing season in Pittsburgh. This will be his first.

2. Las Vegas UNDER 6.5 Wins (+120 or better)

Last year the Raiders won 8 games despite being -41.4 ypg (No. 26). We didn't like the promotion of Antonio Pierce to head coach and we really don't like the QB situation. The Raiders play a Top 10 schedule in terms of difficulty and may be favored in only 2-3 games this year. Note UNDER 7 Wins is available at Westgate and South Point in Las Vegas.

3. Tennessee UNDER 6.5 Wins I-130 or less]

The Titans are clearly behind the 3 other teams in the AFC South and they have by far the worst HC/QB situation in that division. They have big philosophy changes on both sides of the ball and are really limited in the pass game. Tennessee plays a Top 6 schedule in terms of difficulty and currently in the Westgate lines (see first page), the Titans are only favored in one game this year.

4. Philadelphia Eagles to win the NFC East (-125 or less)

This is a combination of a buy on Philly and a sell on Dallas along with NYG and WAS also being non-competitive in the division. The Eagles have one of the best rosters in the NFL and fixed the CB position this off-season. Fangio is an upgrade at DC. As far as Dallas goes, their strength of the team recently (the OL) is regressing and we're hearing whispers that QB Dak isn't 100% healthy. HC McCarthy has also been exposed when it has mattered most.

5. Tampa Bay Alt UNDER 8.5 Wins (-170 or less)

The Bucs were kind of a phony team last year as they were outgained by 31.2 ypg (No. 22) despite winning 9 games. Quite simply, after losing their OC, we expect QB Baker Mayfield to regress substantially this year. They also have major concerns on the interior of the OL.

More Season Win Total Bets that Aren't Widely Available: New England Patriots UNDER 5.5 Wins -165 Available at Circa Chicago UNDER 9.5 Wins -155 Available at Fan Duel, Bet 365
