

AMERICAN LEGION AUXILIARY

Department of Arizona
Convention Credentials
Chandler, Arizona
June 26-29, 2025

The Credentials Report for ALA State Convention June 26-29, 2025 is enclosed along with the completed forms. A file of this information was given to Madam President Dolores Chavez on July 26, 2025. A copy of this information was sent to Madam Past President Stacey Mayberry and Department Office Manager, Rose Ficklin, via email.

Process and information created by June Moyer is as follows.

1. A reminder notice was again printed and posted at the registration desk and on the doors to remind/assist attendees to check in with the credentials table as they entered. Announcements were also made prior to meeting and during breaks to remind everyone that credentials are required for voting.
2. Attached report shows those Units who did not answer roll call and therefore were not in attendance. Unit numbers have been highlighted in blue (24 Units). Friday AM column shows units roll call. However, other roll call times are not fully noted as time did not allow as an announcement was needed to remind units to get the credentials form completed.
3. The total possible votes were 975. Sixty (60) units submitted credential forms. One unit was a "no vote". Total units voting were 59 for total unit votes of 942. All Department officers, PDPs and District Presidents were in attendance or excused and voted as an individual.
4. Individual forms were prepared for each unit to assist with the ease of giving a report form to the individual units. This process assisted those representatives who were not familiar with the Credentials process. Sample is attached.

Thank you for the opportunity to assist at the convention this year.

For God and Country,
June Moyer
Unit 44 Past President
Convention Credentials Representative
