

# YARDWASTE RECYCLING GUIDE

## PLACE ONLY CLEAN GREEN IN YOUR YARDWASTE CAN:

- ✓ Grass clippings
- ✓ Weeds
- ✓ Leaves
- ✓ Brush and branches; bermuda grass okay
- ✓ Vegetable peelings, fruit and vegetables including: pumpkins, carrot peels, broccoli stems, lettuce, apple cores and peels, etc.
- ✓ Wood ashes (cold)
- ✓ Paper plates & napkins (non-coated)
- ✓ Prunings maximum 4' long and 1½" in diameter, Christmas trees cut to fit in container (no flocking, tinsel, decorations or stand)

## THESE ARE NOT ALLOWED IN YOUR YARDWASTE CAN:

- ✗ Garbage
- ✗ Compostable Bags
- ✗ Compostable Paper or Products
- ✗ Plastic Bags
- ✗ Palm Fronds
- ✗ Meat, Bones and Dairy
- ✗ Bamboo or Cactus
- ✗ Dirt or Sod
- ✗ Wood Products or Lumber
- ✗ Rock or Concrete
- ✗ Tree Stumps
- ✗ Cardboard
- ✗ Poison Oak
- ✗ BBQ Ashes
- ✗ Pet Waste
- ✗ Plant Pots
- ✗ Glass and Metal
- ✗ Cooking Oil and Liquid Waste

## Place yardwaste cans/carts at curb every week:

- Set container at curb the night before your regular collection day.
- Leave three (3) feet of space between containers.
- All yardwaste must be inside container. Loose material will not be collected.
- Do not put yardwaste in plastic bags.

## YARD DEBRIS, FRUITS, & VEGGIES

## Put veggies in your yard debris can.

Wrap veggies in newspaper or brown paper bag. Put the food waste, including soiled paper, in your cart. You can also freeze your food waste before placing it in your cart.

**CONTAMINATED YARDWASTE IS SUBJECT TO AN EXTRA FEE.**
