UPDATES

We have not had many updates on Sister Benedict other than to know she is still hospitalized. Please continue to keep her and her fellow nuns in your prayers. We will be having a memorial service for Sister Helen at some point and will notify families when this will occur.

The Charleston Wrap Fundraiser has been delayed as we did not receive enough catalogs for families. Catalogs should be going home today. Thank you!

COMMUNICATION SYSTEM CHANGE

We are going to be implementing a new communication system called SchoolCues. This system will replace SchoolCast before the end of this month. A letter describing the system begins on the back side of this Blue Note and attached is how to sign up. Please be patient as we make this transition.

Please note that there are many features to this system that we will eventually be implementing. We have just elected to begin with the communication system and school calendar. As each of the areas are implemented, we will let families know. The system requires that users have an email address. If you wish to receive notifications via the app, email or by text, you will need to register and provide an email address. Please know that in order for both parents to receive texts, each will need to create an account with a unique email address. This is a requirement of the system.
