

MANAGER'S DESK FOR THURSDAY, OCTOBER 7, 2021

WELCOME TO THE MANAGER'S DESK, I'M MIKE CORNELL.

TODAY ON THE DESK, MORE LISTENER COMMENTS FROM LETTER MONTH.

[JOHN – WALLACE MI] I am very thankful for all you do, and hope are encouraged! Also wanted to share, as I was driving along the other day, singing with the radio, trying to hit the low notes, and/or a semblance of harmony...got me thinking, how our Almighty God hears all our parts, all over the world, and possibly fine tunes them into the most wonderful sounds of praise...and we may even get to hear the recording someday...oh, what a day that will be...

[JAN – EMAIL] I didn't really go anywhere this summer. In fact, my scooter went to Green Bay to be fixed. (Farther than me) I listen on my Echo Dot & have listened for, at least, 8 years. A girlfriend told me about the station. I broke my left Femur at the end of February. I received an email from WRVM's secretary, Peggy. That meant a lot! No Weight bearing & doing therapy might explain why I didn't do much this summer. I like the special birthday time to remind us to pray for elected officials. I try to sing along with the songs played. I listened for so long I can tell what time it is by what's being aired. I like the Bible trivia, too. Sometimes I don't sleep very well & like listening to 'Night Sounds'. I still don't like the placement of 'Unshackled'. In the morning often people are getting ready, maybe there shouldn't be songs with meaning (example: We choose life), they might make people late. I think I said enough.

WE'RE GLAD YOU ARE DOING BETTER.
