## Christ Lutheran Church Newsletter

February 2026

Aloha Kakou,

I sent out this video letter from Bishop Yehiel Curry, our Churchwide Bishop, and the Synodical Bishops of Minnesota in our weekly Announcements, but I want to emphasize and ensure that you take five minutes and hear them out. So, I say it again here.

They speak eloquently and insightfully to what is transpiring in their state, and especially in the Twin Cities.

Here is the link: <https://www.youtube.com/watch?v=GX5LslgUyI0>

America is being crucified by an End-Times, Christian Nationalist fascism that would overthrow our democratic republic and outlaw the great religions of the world, including Christianity, especially our denominational brand of the faith.

I will have much more to say about this as we move into February, Ash Wednesday, and Lent.

If I sound irritated, trust me, I am. Never in my life did I think I would have to rise to this level of rhetoric to resist tyranny in America.

See you in church!

Blessings,

Pr Keith

## Presiding Bishop Curry Issues Statement on Minneapolis ICE Shooting

*Learn to do good; seek justice; rescue the oppressed; defend the orphan; plead for the widow.*  
(Isaiah 1:17).

Alongside our siblings in Christ in Minneapolis and throughout Minnesota and all who have been impacted by aggressive immigration enforcement and violence by federal law enforcement agents, I mourn the shocking shooting death of Renee Nicole Good by an Immigration and Customs Enforcement (ICE) agent on Jan. 7, 2026. I join calls for a thorough investigation into this case, accountability for the shooting and a de-escalation of ICE enforcement across the United States. Alongside the Lutherans who have held vigils in Minneapolis and around the country, our church prays for God's peace in this community and justice in this case.

The ELCA is committed to upholding and guaranteeing basic human rights for the safety of migrants and their families. Our church works toward just and humane policies affecting migrants in and outside the United States. We decry language that dehumanizes immigrants who are beloved children of God and escalates tensions between federal agents and communities. Surges of immigration enforcement and violent encounters like we are seeing in Minneapolis — as well as in Chicago; Atlanta; Los Angeles; Portland, Ore.; and Washington, D.C. — have indiscriminately targeted our neighbors, creating fear and uncertainty. This has created conditions where immigrants, those accompanying them and federal agents are all at risk.

ELCA social teaching provides guidance in complex situations: "Public safety depends upon trust in law enforcement to respect and protect the rights of all" ("[Gun-related Violence and Trauma](#)"). As a church, we are concerned by the trend of law enforcement and federal agents involved in immigration enforcement relying on the use of force in our communities without sufficient accountability or oversight.

God calls us to be witnesses to God's presence, healing and hope. I invite ongoing prayers, vigils and advocacy for peace and justice, and I affirm the ELCA's "pledge to continue our church's historic leadership in caring for refugees and immigrants" ([For Peace in God's World](#)).

In Christ,

The Rev. Yehiel Curry  
Presiding Bishop  
Evangelical Lutheran Church in America
