Spring 2024

Letter from the President

Hello Alumnae,

As we embark on the preparations for this year's luncheon, I can't help but feel a special connection to the Class of '74. For me, these remarkable ladies were my Big Sisters during our time together at St. John's. Memories flood back.... getting "babied" on Baby Day or a laughter-filled trip to Farrell's with a blindfolded birthday girl. And who could forget the bittersweet Move Up Day when we bid farewell to our Big Sisters as they prepared for graduation? This year's luncheon promises to be an opportunity to create new memories and strengthen the bonds that were formed decades ago.

Volunteers Needed!

As always, the success of our events relies on the support of our incredible alumnae community. We are currently seeking volunteers to assist with various tasks during the luncheon, including set up, registration, and selling raffle tickets. Additionally, we are grateful for any donations of raffle items to make this event even more special. This year, I am seeking a dedicated alumna who would like to take over the production of this newsletter. Unfortunately, my current commitments prevent me from giving it the attention it deserves. If you are passionate about keeping our alumnae community connected and informed, please email sjualumnae@gmail.com to express your interest.

I look forward to seeing many of you at the luncheon next month! Let's come together to celebrate the Class of '74 and create new memories that will last a lifetime.

Theresa Keane Class of '77

Sr. Lillian Repack, OSU

In August, we got the devastating news that our beloved Sr. Lil had passed away. As many of you know, Lillian attended both the elementary and high schools, graduating in 1967.

Entering the Novitiate in 1968 she made her religious profession in 1971. Sr. Lil taught and was principal at SJU and then spent the last 20+ years as a teacher and Vice Principle at St. John the Evangelist Elementary School.

She was a very active and supportive member of our alumnae association board and will be sadly missed at our luncheon.

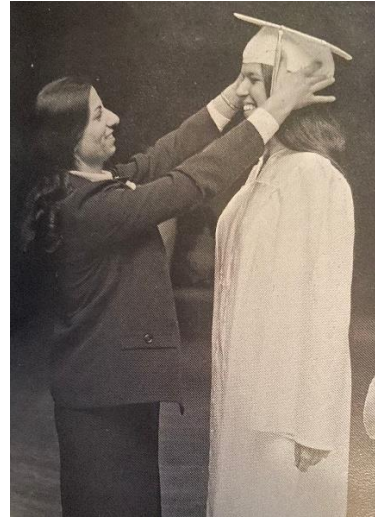

Thank you for your service to our community. Rest in Peace
