Goal 1: Creating opportunities for community involvement (engaged citizenry/better communication)

Goal 2: Appearance of Town

Goal 3: Creating opportunities for youth/teen involvement in the community

Technology: Had to call ISS for some issues with the alarm, will be cleaning out the tech room in March and getting rid of excess mice/keyboard

Landscaping/Building: Windows and trim are done; I've contacted Five Star to get flooring done~also asked to get a quote for carpeting the rest of the area so flooring is cohesive in back area. This would be for next budget year. We had leaks in same spots as a few years ago. No damage to walls/carpet/bookcases. Servicemaster came and said all was dry. I met with Patty Wolfe at school to go through media in CHS cafeteria as is similar space to conference room.

Staff/Board: I received the Library Board Certification in the mail; the board is certified through Feb. 1, 2028; need to start on CE's again.

Programming: See March Newsletter (link at [www.wilsonpubliclibrary.org](http://www.wilsonpubliclibrary.org)) for upcoming programs to promote for us!

Sincerely, Laurie Yocom, Wilson Public Library Director
