aura eASY

ultra universal restorative material

Beautiful restorations

eASY handling for effortless placement

Optimised, non-sticky consistency makes it simple to sculpt and pack.

eASY elegant restorations

Its unique blend of filler and resin work in harmony to deliver the strength and aesthetics needed to provide long-lasting restorations.

eASY to stand the test of time

With a 3mm depth of cure, high compressive and flexural strengths and the benefits of the proprietary low-shrinkage resin to offset marginal stress, you get restorations that are tough and robust.

2.21%

Low volumetric shrinkage

aura eASY delivers reduced stress to provide long-lasting restorations.

115
MPa

Excellent flexural strength

aura eASY resists major deformations without fracturing.

375
MPa

High compressive strength

aura eASY resists the high forces of compression in the mouth.

“After a couple days with **aura** in my practice, it was easy to see that the four shades were all I needed. **aura's** handling and shade matching makes it easy to create quick and beautiful restorations.

Dr Lori Trost, DMD

Restorations just got easier

eASY shade matching for most of your posterior and anterior restorations

Eliminate the guesswork from finding the right shade for your restorations by having to choose from just 4 universal shades.

With shades that are equidistantly placed on the colour saturation spectrum and easily equate to a Vita shade, **aura eASY** makes it simpler for you to customise shades for the majority of your daily needs.

aura eASY simplifies your procedures, minimises your inventory and makes it super easy for your practice.

It will truly allow you to deliver more while stocking less.

aura eASY it's the easy choice for your practice

- Increased wear resistance and strength
- Smooth high gloss finish every time
- Non-sticky consistency makes it simple to sculpt
- No slumping and holds its shape
- Quick and easy placement in seconds

A1/B1 ≈ ae1
A2/B2 ≈ ae2
A3/B3 ≈ ae3
A3.5/B4 ≈ ae4
