- Aramark- Craig & Tom were in meeting with Aramark. They are looking for teams to work Pirates games for the 2026 season. Individuals make a minimum of \$100 per night but more if the booth is successful. Typical game is 4:30-9:30. There is training that is required online & in person in January. There is also a cost of a uniform shirt that must be purchased to work the event. The money earned is sent straight to the Booster organization. Working out details on how to apply that money to family that earned it. We understand that Pirates games may be difficult during own child's baseball season but if we get involved with baseball, this could lead to Steelers/Pitt games in the future.
- Cahall Rag ball Tournament & Concession Sales- We raised \$333 toward the Spring trip! Thank you, Liz Cerra & Julia Carney, for leading this!
- Considering a Turkey Bowl or Christmas Day Block pool
- Senior Signing Days are overseen by AD.

Meeting adjourned at 7:54 PM
