We at the Somersworth Housing Authority realize that the waiting lists for Public Housing &/or the Housing Choice Voucher (Section 8) Program can be a lengthy process. We also recognize that there are times when our applicants' may be in more immediate need of assistance.

Our lobby bulletin board has postings of privately owned/managed locally available apartments. These apartments are NOT subsidized through the Somersworth Housing Authority & offer rents usually at or slightly above Fair Market rental rates.

This brochure lists a number of state, county, & city agencies in the Somersworth, Dover, Rochester and Portsmouth area. In addition, please see the information stand in our lobby for additional community resource brochures.

In this brochure, you will find listings for:

- Other NH Housing Authorities
- Community Service Agencies
- Shelters
- Food Pantries/Soup Kitchens
- Community Public Health Agencies
- Mental/Behavioral Health Agencies
