January 29, 2021

To Our Ridgefield Parents and Families:

We need your help.

For over 50 years, the RBAO has provided baseball and softball programs for Ridgefield's children. In recent years, our town's boys and girls have had a resurgence of interest in playing baseball and softball. In 2019, our 12U softball team finished third in the State – a remarkable achievement by the girls. Last year, we overcame the challenges presented by Covid and were able to provide Summer and Fall programs that allowed our town's children to play baseball and softball in a competitive, instructive, safe, and fun environment. We are now preparing for our 2021 season.

The RBAO needs new members. We ask Moms, Dads, and others to consider joining. You do not need to have been a baseball or softball star, or even to have played the sport. Our members have a variety of skills and backgrounds. RBAO council members work with our volunteer coaches, sponsors, suppliers, town officials, Little League administrators, and others to make our programs work.

Only one thing is required: the willingness to help to provide a safe and fun sports experience for Ridgefield's children.

We invite you to get to know the RBAO. Our next scheduled meetings are Tuesday February 2 at 7:00 p.m. and Tuesday March 2 at 7:00. We invite you to join these meetings, learn about the RBAO, and, if you like, discuss possibly joining the RBAO.

We continue to adhere to Covid safety guidelines, so the February 2 meeting will be online using Microsoft Teams. Please email us (at emailrbao@gmail.com) if you would like to attend either or both of the meetings, and we will send you the information to join the meeting online.

Thank you.
