

BRAUNVIEH BREEDERS' CUP (BBC)

The formation of the BBC is to promote and preserve Braunvieh Fullblood genetics.

The goal is to have breeders donate \$5000 for prize money. Breeders with eleven or more cows will donate \$500, which will allow for two voting privileges. Breeders with ten or less cows will donate \$250, allowing for one vote.

Any money above the initial \$5000 will be kept for a later bull futurity.
