## **August 16-18 A Weekend Retreat for Men & Women A Window into Thomas Merton**

Join us as we explore through various means, some of the concepts that Thomas Merton has developed in his own spiritual journey - the concept of true self and false self; the necessary balance between being and doing and the freedom in finding that balance; and the awakening to the ongoing transformation of rebirth. The weekend will include time for input, reflection, group sharing, and a performance of "Merton and Me" by Douglas Hertler (known professionally as Doug Lory) as he depicts his own unexpected and life changing encounter with the writings of Thomas Merton.
