

Recent Events

Our own Dave Fulk’s idea of a vacation! He and Donna traveled to the Antartica recently to investigate the terrain, ice and wildlife there. Dave shared many of his experiences and terrific photographs taken on their trip in a recent meeting. Donna must have taken this photo!

Sheila Noll, Chairman of the York County Board of Supervisors, shared with us her view of the budget and spending for the County in the coming fiscal year. She included in her talk the capital improvements to be made at Tabb High School.

Virginia Delegate Chad Green shared some of the legislation that he got passed this session, and other legislation that he was unable to get passed. He often works across the aisle to find good bills that support York County and for which he can get bipartisan support. He provided a good update.
