

Library Update

I hope everyone had a wonderful Christmas and is excited for the new year ahead. January will be an exciting month for us at the library! We're breaking ground on our long-awaited expansion project. Thanks to Giles County's successful application for the Connected Communities Facilities grant, we'll be adding much-needed space to better serve our community.

The expansion will include:

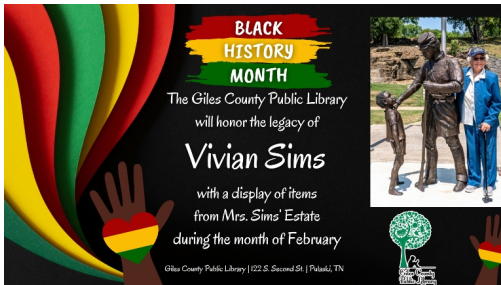

- * A larger children's room
- * An expanded meeting room
- * A new meeting/training/program room on the main floor
- * Three private telehealth booths
- * Additional storage to support programs and services

Construction will begin in January. We plan to remain open for most of the project, though there may be brief closures—we will provide as much advance notice as we can of when these will happen. First National Bank has graciously offered both the Giles Heritage Theater and the Monte Claire Room for some of our larger recurring programs to be held there during our construction. We will keep everyone updated on any changes through our website, social media posts, newspaper, and radio.

In January, we are hosting an **Arts & Crafts Exhibition** showcasing the creativity and talent of Giles County residents. Stop by and enjoy the incredible work of our local artists!

Also returning after the first of the year is **Graphic Design for Beginners** taught by Denise Grisham, our Program Coordinator. Denise has extensive knowledge and experience in graphic design and participants will learn valuable skills from this popular class. Be sure to sign up and reserve your spot for this class.

In February, we are paying tribute to **Vivian Sims'** legacy. She was an amazing woman and long-time art teacher and principal in Giles County. We will have some of her personal art and memorabilia on display here at the library for the month of February. Please stop by and see what impact Mrs. Sims' rich and storied history made on our community.

March is Quilt Month! We are inviting our talented quilters to bring your quilts to be on display during the month of March for another exhibit of beautiful art in the form of quilts.

Also in March, we will host a **Master Gardening Workshop** with Barbara Mason. Participants can look forward to learning practical tips and techniques for successful gardening.

Finally, I want to extend our heartfelt thanks to board member **Carolyn Harrison** for her years of dedicated service. Carolyn has been a tremendous asset to the library and the board, and we wish her all the best in the future. She will be greatly missed.

Cindy Nesbitt, Director

**"An investment in knowledge
pays the best interest."**

~ Benjamin Franklin

What's Happening at GCPL?

Refer to the designation below for the temporary location of programs during the Library Expansion.

PROGRAM LOCATION:
