President's Message

Spring has sprung - haven't seen snow in a week! On Sunday April 22 we had our regular meeting, attended by about 34 people with a new prospective member. The biggest item on the agenda was a vote on whether to change the voting by-laws. This was due to the reason over the past year I had several inquiries as to why all members and spouses are treated equally in club functions, expect when it came to voting on important issues. With that in mind, I told the membership, we are a club and if a rule or anything else is causing a problem or we are just not happy about it, we have to right and obligation to change and fix it. So we voted (under the current rules) to change the voting rules. The wording on the ballot read: *Shall the NJORTC By-Law Article III Section 4 be changed to allow spouses/significant others to have the same voting rights as a member (as defined in Article III Sec 1 (a) (1)) Circle YES or NO.* 24 Members voted and were counted by Sergeant at Arms Bob Sabino and compiled by Toni Sabino and Bob Heissler. The count was 7 Yes / 16 No / 1 abstention. The rules will stay the same.

In April we enjoyed a very nice Spring cruise to the Ringwood Manor, although the weather was crummy, we had 2 T Birds show up, Rich Iuso and Gene Szura. Thank you Carol and Charlie Ehm for chairing the event.

We are still finalizing our Knoxville trip to the Smokey Mtn. Convention. See Donna Jessie or Lois Martin if you have any questions

Don't forget May meeting is May 6 and the Tune up clinic is May 20

Pat LeStrange

March Meeting

Our host was Donna and Bill Jessie. It was a nice spring day and a flock of Birds came out. As always, the food was good and we had a good crowd. Thanks to Bill and Donna for hosting.

Highlights of the Business Meeting

The prior meeting's minutes were unavailable. Treasurer's report was made and accepted.

We had a visitor, John Tripi

Rich Martin reported that 2019 convention might be in Flag Staff, Arizona.

The Spring Cruise was recapped and Pat thanked Carol and Charlie, who were away.

Rich Martin discussed the Tune Up Clinic coming up on May 20th - see page 4 for details.

Pat posed the possibility of other meeting places with the same set up as Delizia's.

Discussion was held and a vote taken on the issue of spouses and SO's voting as regular members. The results of the vote are mentioned elsewhere in this newsletter.

Various items relating to Knoxville was discussed, including our donation. Donna mentioned that there are nine cars going at this time. She also mentioned the different caravans going down to Knoxville

Vice President's Message

I think Spring is here. The last few days have been beautiful. Trees are starting to bloom, flowers are springing up, these are all good signs. Hope everyone has looked at their TBird, checked them to see if they survived the long, long winter. It's time to get them out on the road and enjoy. Drive safe. Cruise nights will be starting the beginning of May.

Once again our prayers for Alec Johnstone. He has been having ups and downs. He is still in rehab. Please send him cards, call him on phone or go see him, he would be happy to hear from you.

I understand that our Spring Cruise was well attended and all had a great time. Thank you Carol and Charlie for chairing the event.

At our monthly meeting we discussed and voted by secret ballot as to allow spouses or SO's to have the right to vote. We had 24 voting members at the meeting and it was voted to keep bylaws the same as they are. If a spouse /significant other wants to vote they will have to pay the yearly dues which is \$50.00. The vote was 7 yes, 16 no and 1 abstention.

Our next meeting will be hosted by Lorraine and Al Cirinelli on May 6th time 2:00 at Bruno's Italian Bistro, Powder Mill Plaza West, 2900 Route 10 West, Morris Plains. Please RSVP, incl. regrets. It only takes a minute to let our hosts know if you are coming or not coming to our meetings. Bring your TBird - special parking in front

On Sunday, May 20th at 8:30 am, Rich and Lois Martin will be hosting our annual Tuneup Clinic. If you intend to do any work on your TBird, please tell Rich so that you and Rich can have the right parts on hand. Lois also invited all ladies to come to sit and chat. There will be bagels, etc. in the morning and a hot dogs, etc. later in afternoon. Please let Lois know if you are coming.

If you are planning to go to Knoxville, Tenn. please make your reservations as soon as possible. First hotel already full.

Happy Mother's Day to all you Moms. Have a great day.

See you soon, Arlene

Spring Cruise

All week the weatherman was predicting a cold and rainy day for the Spring Cruise, and he was partially right. It was cold and heavily overcast, but the did rain hold off. Never the less, about thirty members braved the weather but only two brave souls, Rich I and Gene brought their Tbirds. Despite the weather, we all had a good time - the Ringwood Manor was very interesting and the food at Berta's Chateau was very good. Thanks to Carol and Charlie for putting together a nice outing. The following by Rich Iuso tells it all

Spring Cruise

Spring cruise, calling the birds out to play
 However most still in hibernation that day
 Chilly, cloudy and rain, was the forecast
 Lovely warm and sunny, hours earlier past
 Selected, a pleasant route for our drive
 Destination Ringwood Manor to arrive
 Information and history both time and place
 Lived how the families, splendor and grace
 Up and down the house and stately grounds
 Imagination, almost hear their sounds
 A nice time, with the club, participating
 Off to Berta's Chateau, lunch was waiting
 A varied and diverse selection, tasty fare
 Members surely satisfied they were there
 Another NJORTC event in the annals of time
 More good memories of yours and mine
 Thank you Charlie & Carol

Mortar in the background is from the Civil War. The estate, located near the ironworks, was owned by the people that owned the iron works which cast the stanchion. The mortar was given to the owners at the end of the Civil War. The iron works was founded prior to the Revolutionary War and supplied items to both the rebels and the Brits. They became very wealthy. For more information, go to <http://www.ringwoodmanor.org/>
