Salute to the Flag:

Police Report:

None at this time.

Public Participation:

Patrick Shedlock was commended for his volunteer work of litter control being done along the state and township roads.

The Pramuk Subdivision as presented to the board for review, there are three areas of concern for this sub-division by Donald Lane, PLS.

1. A reserve easement for an access road for both tracts of land both the residual and the proposed lots, needs to be shown on the plan, minimum width of 15 feet.
2. Easement for sewage for the on lot septic bed.
3. Parcel #1 needs to show the existing sewage disposal for the original building, the sewage enforcement office would not approve the plan as presented.

All above areas of concern need to be completed to adhere to the Subdivision and Land Development Ordinance.

Motion made by Jaime Hartline 2nd Gene Devett to approve the Pramuk Subdivision with the following corrections, a reserve 15 foot easement for the access road, easement for the on lot septic bed and parcel #1 needs to show the existing sewage disposal, all these need to be shown on the sketched plan presented to the board for approval. Roll call, all in favor, Motion passed.
