

God's Plan?

By Jon Shepherd

“You formed my inward parts; You covered me in my mother's womb. I will praise You, for I am fearfully and wonderfully made . . .” (Psalm 139:13-14).

God has a plan for each one of us, but we must agree to it. He has wonderful things in store for you , but you must position yourself to receive them. He offers the most precious gift by way of His Son , but you must accept it. He has written a script for you, and you don't have to audition for it , for no one can beat you at being you.

You don't have to compare yourself with anyone else. Ever! You never have to compete with anyone else. God knows what He created, and did not make a mistake when He created you!

We don't always treat each other as we should, or value each other as we ought. The problem that we face is that we buy into the lie that our value is based on the way we have been treated, handled or valued by others, which is quite tragic!

We have all fallen into this trap at some point or another. I just want to encourage each and every one of you with this: “When someone says anything contrary to what God says about you, know that it's a lie.”

God says that you are unique, beautiful , loved , precious, esteemed! The value of anything is determined by the price one is willing to pay for it. Jesus , who volunteered to pay the ultimate price for us on the cross, says that you are worth it!
