

Client Story - Childbirth Classes

Calaveras Pregnancy Center offers childbirth classes in addition to parenting education. Karina and Ryan recently participated in childbirth classes before welcoming Cory Lee to their family in mid-June.

Karina felt the classes were especially helpful in preparing them both for the realities of labor and delivery so that she was better informed about her options and Ryan was better prepared to support Karina through the experience. Karina also felt they are benefitting from resources provided about caring for a newborn.

THANK YOU to **San Andreas Print Shop** for donating the printing and **Carpet Masters** for underwriting the cost of postage.

We are looking for staff and volunteers!

We are looking to fill two part-time, paid positions:

- Administrative Assistant/Office Manager
- Nurse

We are also looking to add volunteers or possibly a part-time, paid staff position with skills to help with event planning, communications, and social media.

If you or someone you know has a heart for pregnant women and would like to learn more about these opportunities, please contact Matt at 209-736-9600 or director@cdohope.org

Post-Abortion Bible Study Openings for this Fall

CPC will be running another session of "Forgiven & Set Free" for women coping with loss or grieving after an abortion. The program will start mid-September and run about 8-10 weeks. Please contact the center at (209) 736-9600 if you are interested in learning more or participating.

The Calaveras Pregnancy Center Annual Fundraising Banquet will take place October 7th at Foothill Community Church in Angels Camp.

We are excited to share with attendees about all the work the center has done over the last year and what we are learning about how to develop in our ability to support women and men in unplanned pregnancies.

Given the developments for our ministry and in the abortion landscape across California and the U.S. we recognize that, although the organization has been serving women and men for almost 20 years, in many ways the journey has just begun.

We would love for you to join us!

Registration is open until Sept 7th at: <http://www.support4life.info/events.html>

We Have Diapers, Wipes, Baby Clothes, & Other Baby Items!

We would be very pleased to distribute (free) some of the lovely summer clothes (baby, toddler, and maternity) we currently have displayed in our boutique before we rotate them to display winter clothes. Tuesdays and Thursdays are good days to stop by. Calling (209-736-9600) ahead is always a good idea. Sue, our Client Services Director, would be happy to assist!

Foundation Grant to Promote the Center

We are thankful for a generous grant from the Calaveras Community Foundation, made in October of 2021, to support efforts to promote the center in the community. Be on the lookout for signs around the county that are part of the funded promotional plans.

Investing in Our Community

New Mission Statement

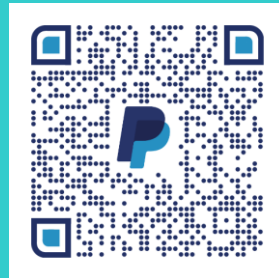

The Board of Directors has recently approved a revised mission statement to reflect the focus of this ministry:

“Calaveras Pregnancy Center is a non-profit ministry that provides informational, material, emotional, and spiritual support to women and men in our community to help them make informed, life-affirming decisions and provide an abundant life for their children. We strive to demonstrate Christ’s love by extending His love and care for all who have a pregnancy-related need that we can fill.”

We Have PayPal Now!

If you are used to using PayPal you can now donate to CPC at [PayPal.me/CalaverasPC](https://www.paypal.com/donate/?url=https://www.calaveraspc.org)

Fall 2022

This summer, we have celebrated the overturning of Roe v. Wade as a remarkable victory for the Pro-Life movement and the result of decades of education, advocacy, and faithful prayer.

Though a momentous event, the work continues in all states and Pro-Life pregnancy centers to promote a life-affirming approach to pregnancy in the face of rapidly evolving tactics to minimize the value of life.

Your continued prayers for this ministry are needed in these post-Roe days; for continued safety from physical and online threats and that we adapt to changes in the abortion landscape in CA and nationally in order to serve every client we can through the love of Christ.
