

UNITYWORKS

Summer Training Institute

Monday–Friday, June 18-22, 2018, Yakima, WA

How is your district responding to WA State HB 1541, OSPI's new Teacher Principal Evaluation Tool (TPET) for measuring equitable classroom practices, and the focus on cultural competence training as a key strategy for closing the educational opportunity gap? What steps are being taken to improve school culture and student engagement? Does your building have a Diversity Action Plan?

The UnityWorks Summer Institute is an action-packed, weeklong annual professional learning event designed to prepare educators with the knowledge, tools, strategies and resources needed to address these mandates. Sessions will be held Mon-Fri, from 8:30-4:30. Clock hours available.
