

Take A Knee

“That at the name of Jesus every knee should bow, of things in heaven, and things in earth, and things under the earth; And that every tongue should confess that Jesus Christ is Lord, to the glory of God the Father” (Philippians 2:10-11).

No, I am not talking about football- It was during worship a few Sunday's ago and something profound happened in me. I hadn't heard this song in a long time, and as we sang it, something deep within me began to burn. I had no intention of sharing this because it was very personal, but after Alicia's Word on the "Fire" I truly feel the Lord wants to reveal something to you as well.

(Hopefully the song is playing, and if it isn't please click on it now and continue reading).

As we sang this song over and over the burning became more intense. It was wonderfully warm and comforting. I saw myself with many others all standing on a field filled with our own various situations. (I don't know about you, but I got some situations going on!) As I stood there, I felt prompted to literally take a knee. As I bent down on one knee bowing my head, I heard myself say, "Jesus You are Lord over my life and this situation."

As I did this, something shifted in the situation. I saw Jesus and He was Lord over it. The situation began to separate itself from me. It moved away slowly at first, and as I saw myself on bended knee others began doing the same thing speaking "Jesus Is Lord over this situation." Each time the same thing happened!!!!

That's when I heard something deep within me say, "When you bend your knee to Me something happens. There is power in your bended knee because it's surrendering to Me!"

Every situation will bow before the exalted Lord Jesus Christ (2:10). Every created thing (situation) will submit to Jesus Christ. These verses are clear statements of Jesus' deity. They reveal powerful ammunition against those things (situations) that should deny the deity of Jesus Christ.

Evil in no way can stand against the absolute lordship of Jesus Christ. Bend you knee today! He will suppress those things which attempt to come against you. He will reign in absolute triumph as you bend your knee and declare He is Lord over that situation.

He is Lord. He wants to be Lord over every situation you are facing and every situation you will face. When I went into work, I got down on bended knee declaring Jesus Lord over my job! Since then, with each

situation, I stop, get down one knee and say, “Jesus is Lord over this.” I cannot tell you how many times I have seen incredible things happen! I mean things you know only God can do! It’s absolutely wild!

Stop right now— take a bended knee to whatever you are facing (and I mean literally, bend your knee, and say, “Jesus is Lord over this situation.” He ordained it all before the foundation of the world (Ephesian 1:4; Revelation 13:8).

- Are you sick in body? Get on bended knee and say, "Jesus YOU are Lord over My body and this situation"
- Are you hurting over a broken relationship? Get on bended knee and say, "Jesus YOU are Lord over ME, this relationship and this situation"
- Are you concerned about the changes in your life? Get on bended knee and say, "Jesus YOU are Lord over ME and this situation"
- Do you need finances? Get on bended knee and say, "Jesus YOU are Lord over ME, my finances and this situation"
- Is your marriage in trouble? Get on bended knee and say, "Jesus YOU are Lord over ME, my marriage and this situation"
- Do you need to make a decision? Get on bended knee and say, Jesus, YOU and YOU alone are Lord over this decision and My life!"

Whatever it is you are facing my friend. Today is the day to get back to the truth and get on bended knee and say, "Jesus YOU are Lord over ME and every situation in my life!"
