

THE CHRISTIAN HOLOCAUST PERSECUTION OF THE BRIDE

The purposes of this illustration is to show the partial solar eclipse that takes place on October 23, 2014. What is particular about this partial eclipse is that it occurs over North America, primarily centered over the United States with a special emphasis on Phoenix, Arizona. From the reference point of Phoenix, Arizona, the partial solar eclipse also has a conjunction with the planet Venus and amazingly at a 33 degree angle from the Ecliptic. Another unique characteristic about this eclipse is its astronomical imagery. This imagery is that of the Islamic Star and Crescent symbology that the Moon produces as it partially blocks the Sun in direct alignment to Venus from this reference point on Earth. This study suggests that particular partial eclipse has strong prophetic connotations for the Luciferian occult. The Star and Crescent and the number 33 are highly venerated and used as 'codes' to advance and signal major developments in the Luciferian agenda to usher in their coming AntiChrist and have one last persecution of 'Virgo', the Church of Jesus before she is raptured from the world.

THE WAR ON CHRISTMAS

It has been reported and confirmed that such Muslims in Syria and Iraq have decapitated children, are raping little girls and selling them on the town square as sex slaves. The young men are being crucified publicly and systematically machine-gunned to death in mass graves that they are forced to dig. It is not because this Christian Holocaust is exactly going according to the plan of the 'War on Christmas' that the Globalists Luciferians have vowed to fight.

THE NUMBER OF THE BEAST

What this partial eclipse could be prophetically signaling is 2-fold in its significance. On one level it is signaling that the Church of Jesus, as a 'Virgo' has her lamp in hand and is shining bright. She is awakened to the last hour of her persecution as she has lit the lamp given to her for the 'midnight call' as the trump of the Groom is about to sound. Secondly, the imagery of the Star and Crescent omen could mean that for America, the 'Virgin...the Muslim protocols of submit, pay tax or die will come in like manner to the American Land as they have in the Middle East for centuries.

The Black Flag Army of Mohamed is literally symbolized by the Serpent, i.e., Lucifer as their calligraphic name for Allah renders a 'Serpent'. Thus the partial eclipse is depicting Venus as Lucifer, the Serpent that is going up against the Church and destroy her Man-child, her Witness in the USA perhaps as the eclipses occurs over the core of the USA. As Venus is 'birthed' the day after the eclipse in Virgo, it could be a foreshadowing of how the Bride of Christ will soon be whisked away and up into Heaven. Why? The Bride of Christ is what stands spiritually in way of Obama and the Luciferians in achieving their goal of irradiating the Christian Witness in the Middle East and America. It is needed to make way for their demonic spirits, Fallen Angels, false Prophet and AntiChrist to come on the scene. Why such Christians stand in the way is because they are receptacle of the Restrainer that impedes all-out Satanic evil upon the world.

THE SEAL OF MOHAMED

Variant of the Black Standard, it depicts Tahlila and an impression of the Seal of Mohamed, combined to form the Shahada.

The eclipse could very well be an omen of an intensification of the ongoing persecution by the Muslims against the Church of Jesus Christ in these Last Days that has constituted a Christian Holocaust and genocide, particularly in the Middle East but that perhaps such a persecution will be visited now upon the Lands of the modern-day Pharaoh and leader of the USA. The 'Lamp' of the Wise Virgin

A day later after the partial eclipse, Venus appears as if it 'escapes' and is birthed out of the 'womb' of Virgo. Perhaps the duality also renders Venus as the type of the Church that is undergoing severe persecution by the Armies of Mohamed but then is to be Raptured out from the clutches of Allah's Armies very soon. This is of course speculation and based on Biblical typology. Another possible typology is that of Virgo being the Betrothed, awakened... having the eclipse as a bright torch representative of her faithful Witness and endurance against the Armies of Hell as she has stood watch to hear for the Groom's Call. It would also then call for the admonition of her Maidens who were the wise ones to likewise wake up as it has come to the time of the end of the Church Age when the 'wise Maidens' need to turn up their lamps. It is the last hour, the last year perhaps as many signs point to 2015 as the converging of many prophetic timelines.

Christians are 'Marked' now. The letter "N" in Arabic has been used by ISIS to mark the homes of Nazarenes/Christians to be targeted by the militants.

John 16:1-32

'These things have I spoken unto you, that you should not lose faith. They shall put you out of the meeting places; yes, the time is coming that whosoever kills you

will think that he does GOD a service. And these things will they do unto you, because they have not known the Father, nor Me.'
