

# Interfaith Dialogue on Climate Change: From Faith to Action

6:30 PM, Tuesday November 3, 2015  
University of MN Rochester Campus Room 337  
111 S Broadway, Rochester, MN 55904

Join us for a discussion on ways different religious communities view Climate Change and how to take action in your congregation. Local religious leaders from several faith communities will briefly discuss their take on climate issues. We will open the conversation to attendees with questions and comments. We will end the evening with actions YOU can take on climate change.

*Light refreshments will be served.  
Everyone is welcome!*
