Thank you for your consideration of supporting Minor Baseball in Fort Saskatchewan. To continue the programs we are able to provide to the youth of Fort Saskatchewan, we rely on continued corporate support. Fort Sask Minor Baseball has provided organized sport for children and youth within our community for numerous years.

This season we are expected to have over 380 players register within our programs and we are once again seeking support through team sponsorship.

We do hope that this is something you might be willing to consider. Your sponsorship of Minor Baseball will go a long way to supporting the health of youth in our community. We can provide you with further details and I would welcome the opportunity to speak with you further about this. I can be reached at 587-989-2363 or email heather.verhoeven@shaw.ca . Thank you for your time and consideration.

Yours in sport,

Heather Verhoeven
