## Happy Valentine's Day's Valentine Treasures

Valentine treasures are people who

have often crossed your mind,  
family, friends and others, too,

who in your life have shined

the warmth of love or a spark  
of light

that makes you remember them;

no matter how long since you've  
actually met,

each one is a luminous gem,

who gleams and glows in your  
memory,

bringing special pleasures,

and that's why this Valentine  
comes to you:

You're one of those sparkling  
treasures!

By Joanna Fuchs

Q: What did the French chef  
give his wife for Valentine's  
Day?

A: A hug and a quiche.

### WAITING IN LINE AT THE ACME

Unfortunately the line at the Acme is becoming an issue again. We would hate to have to get to the bus hours before each trip to hand out seat numbers to each person. If we have to do that, it will be one ticket per person that is there. you will not be able to get two. This will obviously be a big inconvenience for us as well, but we have tried to ask people not to do that but lately, it has been happening again that people are in line and then 4, 5, even 6 people get in line with them. It is not fair to the people that have been standing there to get a seat. Some people get there early and wait because they have motion sickness issues or mobility issues and then wind up in the back of the bus. If you are in line, you are able to bring one friend or spouse in. That doesn't mean that your friend can then bring another friend in also.

Please be courtesy to your fellow  
travelers

### TONY'S BLOG

Well, December ended with a wonderful New Year eve celebration. There was great entertainment, food and most of all, 2 buses of the best New Beginning friends and family. With that in mind, we are not going to sit around all winter. We have planned many wonderful trips, and remember is the weather should get bad, we cancel the trip. Winter is also a great time for a cruise, so on January 19th we will be leaving New York on a 14- day cruise to the Caribbean. The office will be open and Denise will be there to take your requests and answer any questions. For me, it will be a time to rest, read and regroup my plans. A cruise is the only vacation when your time is yours to kick back and enjoy!
