### **Middle School Teacher – Science & Social Studies**

St. Joseph Catholic School in Monroeville is seeking a Middle School Teacher for the 2026–2027 school year to teach Science and Social Studies.

At St. Joseph, we partner with parents to create a faith-filled community where students develop lifelong skills and values in a distinctive Catholic educational environment. We are seeking a dynamic team player who can inspire students, foster curiosity, and encourage a love of lifelong learning while supporting the mission of Catholic education.

#### **Qualifications:**

- Valid Ohio teaching license
- Engaging teaching style that encourages student participation and curiosity
- Ability to create lesson plans aligned with Ohio’s Learning Standards
- Ability to integrate technology into instruction
- Ability to collaborate with teachers, administrators, and school staff
- Ability to build strong relationships with students and families
- Commitment to the mission of Catholic education
