## Message from the President

**Highlights:** Tournaments in Nov & Dec

Officials are slapping new restrictions on daily life as the coronavirus rages in a resurgence that some officials say is the most widespread since the pandemic hit in March. Fortunately, golf has not been identified as a big source of spread of the COVID-19. Let's help by taking social distancing and safety guidelines seriously, and we will be playing golf—however, still with limited capacity. But, we will be on the golf course!

Coming up on December 7 is a Holiday Tournament at Lomas Santa Fe! Again, we are limited by the number of carts available so only 64 players can be accommodated. Sign-ups started November 16<sup>th</sup> and the event filled up quickly. Currently, only wait list sign-ups are available.

# Meet Your SDCWGA Board Members

*We will be highlighting one of our SDCWGA Board Members in each County Capers' edition over the rest of the year. We hope this will give you an insight into each Board Member's golf background, as well as an understanding of their experience as a Board Member.*

## **INTRODUCING SANDRA WATKINS**

### **SDCWGA Rules Director**

My husband and I played a little golf just for fun in college, but then married, had children and careers. Thus golf was not a part of our lives. However, when both our son and my mother-in-law were playing golf we thought perhaps we could too. Living in Seattle, we could play year round, and could even play 18 holes after work in the summer due to the long days. We were hooked, joined a club and kept a handicap. In thinking ahead to retirement we acquired a nice little home in Escondido and joined the Meadowlake/Boulder Oaks, the Vineyard and the St. Mark clubs. Currently we divide our time between Escondido and Lake Chelan, WA where we play several lovely courses in the summer.

After being asked to join SDCWGA as the Rules Chair, I was fortunate enough to be able to attend the 4 day Rules Workshop put on by the USGA. It was an incredible, mind-stretching seminar in which I learned a great deal. I try to keep learning and re-learning the Rules as issues present themselves. My two main tasks for SDCWGA are to provide specific written Rules for our tournaments and to be available to help answer any rules questions that arise during play. These tasks are performed with a great deal of help from my Rules Committee members, Cheryl Wohlgemuth and Ellen Koury.

I look forward to the opportunity to continue to serve for another year and hope that this dynamic, vibrant organization is able to weather our viral crisis so SDCWGA can continue to support fun and exciting golfing opportunities for women in Southern California.
