

CLEMENTINE

(SPECIAL NEEDS)

6 YEARS OLD, FEMALE, ADOPTION FEE \$

CAME FROM THE PINAL COUNTY SHELTER

GOOD WITH DOGS AND OLDER KIDS, CATS ARE UNKNOWN

SHE HAS A BACK INJURY WHICH IS PREVENTING HER FROM USING HER BACK LEGS. WE HAVE PURCHASED A WHEELED CART FOR HER TO USE, WHICH ALLOWS HER TO ZOOM AROUND THE HOUSE AND YARD. SHE IS CURRENTLY UNDERGOING ACUPUNCTURE THERAPY AND WE ARE SEEING IMPROVEMENT IN HER ABILITY TO STAND AND WALK FOR SHORT PERIODS OF TIME. WE ARE HOPEFUL THAT CONTINUED ACUPUNCTURE WILL EVENTUALLY GET HER WALKING, BUT SHE IS SET TO LIVE HAPPILY WITH HER CART IF NECESSARY. WE BELIEVE SHE WAS HOUSE TRAINED, BUT THE INJURY HAS AFFECTED HER SENSATION IN THE LOWER PART OF THE BODY, SO A GOOD POTTY SCHEDULE AND DOGGIE DIAPERS AS A BACK UP ARE HELPFUL. SHE IS SUCH A SWEET GIRL, WHO LIKES TO BE HELD AND GIVES HUGS AND KISSES
