- Pee Wee Handler does not have to own or co-own the dog handled.
- Dogs must be at least four months of age.
- Bitches in season will not be allowed to participate; if pre-entered, a dog that meets the eligibility requirements as specified by the Club, may be substituted
- All dogs must have the proper lead and collar.
- A responsible adult must be present with the child both inside and outside the ring.
- In addition to an entry, a release (provided at the Dog Show prior to the event) must be signed by the child's parent or legal guardian.

The safety of both the dogs and children inside and outside the ring is a primary concern. Outside the ring, the dog is to be controlled by the adult accompanying the child. At the Judge's discretion, based on the size of the child and the dog, the adult may be asked to attach a second lead to the dog so both child and adult will walk the dog together (an additional lead will be at the Judge's table).

Although the word "judge" is used, this is designed to be a learning and mentoring experience. The judge is an AKC All-Breed Junior Showmanship Judge. No child will be "judged" but rather will be mentored with the age-appropriate amount of information to introduce them to AKC regular Junior Showmanship. The children will be mentored one at a time — one child, their adult, and dog.

The Judge will explain the process of showing the dog to the child and the responsible adult in the ring including and breed specific presentation such as table or ramp presentation. Depending on the size of the dog and the child, the adult may be asked to lift a table breed on or off the table, or the Club may mandate that the adult should do it regardless. Neither the youngster nor the adult will be asked to show the bite.

The AKC Temperament Test (ATT) is a temperament test designed for all breeds. It is a pass-fail noncompetitive test that assesses the reaction of any breed to stimuli in the surrounding world. Dogs are tested on the following six categories: Social, Auditory, Visual, Tactile (touch), Proprioceptive (motion) and an Unexpected Stimulus. The ATT screens for fear, shyness, inability to recover, and lack of cooperation. Desired traits are that the dog will be emotionally stable, cooperative, inquisitive, appropriately social for its breed, and biddable. All dogs who pass the ATT twice under two different approved ATT Evaluators may apply to the AKC for a suffix title by submitting the official ATT Title Application along with the two evaluator Score Sheets along with the processing fee to AKC.

LODGING

Responsible conduct ensures continued community support and the availability of options for lodging. All exhibitors are expected to follow an innkeeper's rules. Dogs must be well-behaved and not engage in excessive barking or disruption for other guests at the establishment.

- Lodging engaged during the show dates comes under the provisions of AKC rules and the jurisdiction of the Show Committee.
- Should an innkeeper, for cause, deem it necessary to cancel room privileges, the registrant agrees to forego legal actions against the Heart of the Desert Classic, Sahuaro State Kennel Club, Inc. and Lost Dutchman Kennel Club and the innkeeper. Violations may be referred to the Show Committee. If such charges are upheld by the Show Committee, it may lead to suspension from future show privileges.
- The Heart of the Desert Classic recommends that exhibitors adhere to the following guidelines which may be in addition to what an innkeeper requires:
 - Plastic sheeting should be placed under every crate to keep carpets and flooring clean & dry.
 - Dogs should not be left unattended in the room.
 - Dogs should always be kept on a leash while in the hotel lobbies or on hotel grounds.
 - No dog should be bathed or groomed in the hotel.
 - Dogs should be "exercised" in designated areas. Every dog owner is expected to pick up after their own dog & dispose of waste in designated trash cans.

PHOTOGRAPHY & RECORDING AT EVENTS

- All persons & animals on the show grounds at any time while the show is in progress do, by attending these shows, grant to the club and the American Kennel Club the right to photograph, televise, videotape, audiotape or otherwise use their likeness and voice in any manner without further release or consent.
- Anyone wishing to commercially videotape, photograph, or otherwise record during the shows must first receive permission from the Cluster Chair and must adhere to Cluster and AKC policy.
- Any individual choosing to stream video for personal use must abide by AKC's Code of Sportsmanship and be cognizant of both the intentional and ambient audio. Any video stream may not be simulcast (broadcasting one video stream or content on various channels/platforms simultaneously).
- Procedure for commercial photographer (anyone accepting payment for photographs):
 - 1) Obtain permission from the Vendor Chair to participate as a vendor at this event. Permission will be reviewed to determine any conflict with the Official All-Breed Show Photographer(s);
 - 2) If written permission is obtained from the Vendor Chair, the commercial entity must provide all forms and licenses required by the Cluster's Vendor Chair; Commercial entities must pay Vending Fees as required in policies.

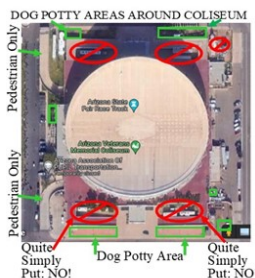

Failure to comply with these policies and procedures may result in Bench Show charges and/or expulsion from the grounds.

DOG POTTY AREAS, CLEAN UP AND DISPOSAL OF WASTE

This is a self-cleaning show; clean up after your dog and dispose of solid waste in an appropriate outdoor trash receptacle rather than indoors or in any toilet. Exercise pens setup inside to potty dogs are not allowed.

- Outdoor areas for pottying dogs are available on the southwest corner of the Backyard (on grass), in designated areas on dirt on the perimeter of the Coliseum and in exercise pens with shavings at the southeast corner of the Coliseum near the Dog Bath station.
- THE FOUR ALCOVE AREAS ON THE NORTH AND SOUTH SIDES OF THE COLISEUM ARE PRIVATE AND ARE NOT OPEN TO EXHIBITORS OR THEIR DOGS. Exhibitors must stay out of the alcoves whether barriers are present or not.

DOG BATHING

Dog bathing areas are identified with signage and are the only areas where bathing of dogs is permitted; no dog bathing inside any building or restroom. Only cold water is available. There are two areas for dog bathing:

1. Outside on pavement at the east end of the Coliseum's South Hall.
2. Outside near the Unloading area by the ERC building in the North Lot.

RINGSIDE CRATING

Temporary crating of any breed at ringside, whether inside or outside, is allowed only while that breed is being shown and up to 20 minutes thereafter. This rule helps ascertain there will be ample crate space ringside throughout the day for each breed during its exhibit time. This rule will be strictly enforced. Dogs cannot be left unattended in soft-sided crates.

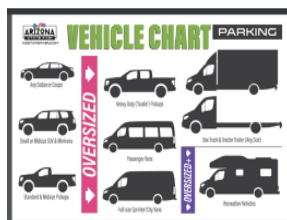

1. In all cases, aisles must be kept clear of chairs, crates, and equipment.
2. Ringside crate space in the Coliseum Arena should extend no further than 5' from any wall or bleacher unless authorized by the Cluster Chair.
3. Touch-up of dog coats is permitted in ringside crating. Grooming of dogs is not allowed ringside (refer to the definition of touch-up versus grooming in the General Rules).
4. No crates may be left ringside overnight.

PHOENIX, ARIZONA**

Thank you for patronage of Phoenix area motels and hotels. Responsible conduct ensures continued community support and the availability of lodging options for dog fancy events. The Show Committee recommends that exhibitors adhere to the following guidelines which may be in addition to what an innkeeper requires:

- Plastic sheeting should be placed under every crate regardless of flooring type.
- Dogs should not be left unattended in the room.
- Dogs should always be kept on leash while in the hotel lobbies or grounds.
- No dog should be bathed or groomed in the hotel.
- Dogs should be “exercised” in designated areas. Every dog owner is expected to pick up after their own dog & dispose of waste in designated trash cans.

AKC Code of Sportsmanship

PREFACE: The sport of purebred dog competitive events dates prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of our sport: conformation, performance and companion. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.

- Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.
- Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.
- Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.
- The sportsman judge judges only on the merits of the dogs and considers no other factors.
- The sportsman judge or exhibitor accepts constructive criticism.
- The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsman exhibitor refuses to compromise the impartiality of a judge.
- The sportsman respects the AKC bylaws, rules, regulations and policies governing the sport of purebred dogs.
- Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of competitors.
- Sportsmen welcome, encourage and support newcomers to the sport.
- Sportsmen will deal fairly with all those who trade with them.
- Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.
- Sportsmen always consider as paramount the welfare of their dog.
- Sportsmen refuse to embarrass the sport, the American Kennel Club, or themselves while taking part in the sport.
