

Help us bring *Life* to the

# Faerie Forrest

*at the Port St. Lucie Botanical Gardens*

Faeries are mysterious and magical creatures (ask any child!) They're selective and persnickety. After perusing the entire Treasure Coast, the PSL Botanical Gardens is pleased to acknowledge the faeries' decision to soon call Port St Lucie home!

The faeries have selected a very special area within the PSL Botanical Gardens to call their own. Flitting among the ancient oaks, the faeries invite all children (young and old) to explore and commune. How many faeries can you spot among the trees? Could you name them? Have a favorite?

The Faerie Forrest will be a passive, open exploration area, not a playground. Imagination and a sense of magic is required. Sponsorship opportunities for Faerie Faenatics are available for a limited time; outlined below.
